**Secretary:** Judy G.

1. **Attendance:** Jenny C. MD; Molly NC; Dana D. FL; Alyson NY; Deb H., MI; Marlana, CA; Sera, VA; Deborah R, MI; Deb K., VA; Betty, MD; Judy G., WA

### **2. Minutes from October meeting approved**

### **3. Service positions**

a) Meeting Chair - Jenny will be completing her year of service and giving up this position as of January 1

b) Leader Seeker - Dana will complete her year and give up the position in December

c) Speaker seeker - needs to be filled

d) Point of contact - listed on website, not technically a service position but needs a new name (has been Jenny)

Filling these service positions will be new business for December.

Judy: What makes the Speaker Seeker a difficult position?

Molly: Dana, you've been the Leader Seeker. What makes it difficult?

Dana: Leader Seeker isn't that hard. Molly sends an email and someone always steps up.

Molly: If by Thursday there isn't someone signed up, I put it in the subject line of the reminder so it's announced.

Judy: is it anxiety that makes people not want to do it?

Molly: Not so much anxiety. Just you have to call people and do it.

Marlena: I've spoken 3 times in different meetings, but I waited a long time before doing it on Sunday because you have to sign up on your own initiative.

For the other meetings someone called me, and when there's a service opportunity you often say yes. There's more incentive.

Judy: Is there a minimum amount of abstinence required to speak?

Molly: You have to be a sponsor. A Speaker Seeker will increase people's willingness by reaching out and inviting them.

Jenny: I'll announce it for a few meetings.

4. Meeting adjourned.
