

MESSAGE FROM THE OWNERS of the BROADWAY THEATER:

“First of all let us begin by saying we are so excited to get all of you wonderful theater patrons back through our doors after two, very long years! In order to do this the Broadway Theater will be following the lead of dozens of other Theater’s in our community when it comes to Covid 19 guidelines. It is the goal of the San Diego Theater Community to provide a safe, fun experience for our patrons as we maneuver our way out of this Pandemic.

PLEASE NOTE: As things continue to loosen up nationally and state wide, we will be right there doing the same thing. What you will be reading below is the current protocols we are all following. Thank you for your patience, and thank for coming back to our little theater – you will never know how much you were missed.”

Sincerely,

Randall Hickman and Douglas Davis – Owner – Vista’s Broadway Theater.

The Broadway Theater commits to following COVID-19 guidelines and strategies provided by San Diego County, California Department of Public Health, and the Centers for Disease Control and Prevention. When you enter out doors our actors and staff and will be fully vaccinated. Staff will be wearing masks both outdoors and indoors.

GUIDELINES FOR SEEING OUR ADULT and YOUTH PRODUCTIONS:

UPDATE AS OF APRIL 1, 2022

The Broadway Theater will NO LONGER be requiring proof of vaccination or a negative Covid test to see any of our productions. However, actors, staff and anyone working behind the scenes WILL need to be fully vaccinated to participate in our shows.

In solidarity with all other LIVE Theater’s in San Diego, we are still requiring masks for the foreseeable future. Things are changing rapidly and we are confident this requirement will be lifted in the weeks or months ahead.

We are back to offering concessions for our youth shows and complimentary coffee, tea and cookies at our adult shows. However, all food items must be consumed outside the theater.

Thank you for helping us create a safe and enjoyable environment as we return to live theater events.
