Effective today, I am requesting a PASSIVE GROUP membership with the „Freie Interessengemeinschaft Universell“ = „Free Community of Interests for Border and Spiritual Sciences and Ufological Studies“, Hinterschmidrütli 1225, 8495 Schmidrütli, Switzerland.

- A) The quarterly newsletter „Voice of the Aquarian Age“ (Stimme der Wassermannzeit) is FIGU's official magazine and contains all announcements regarding new publications of written material and events, etc. (language: German!)

It is MANDATORY for all PASSIVE GROUP MEMBERS to obtain a subscription of the „Voice of the Aquarian Age“ (Stimme der Wassermannzeit). The subscription charges for the first 12 editions (for 3 years) must be paid with the first annual FIGU membership fee as follows (*all charges include free shipping and handling*):

Switzerland	CHF 90.00
Foreign Countries (Europe)	CHF 105.00
Overseas "Economy"	CHF 115.00
Overseas "Priority" Air Mail	CHF 170.00 (with air mail postage surcharge)

- B) 1) ANNUAL FIGU MEMBERSHIP FEE for PASSIVE GROUP MEMBERS CHF 30.00  
 2) One-time application and I.D. fee CHF 30.00

- C) Furthermore, in accordance with a resolution passed at the Passive Group General Assembly on May 9, 1992, a mandatory annual contribution of 7% of one (1) month's salary must be made. Starting with pension age this annual contribution of 7% is cancelled. The annual membership fee and once-a-year contribution of 7% of one (1) month's salary must be received by FIGU no later than April 25th, otherwise the Passive-Group membership becomes automatically null and void.

- D) As of 9 March 2024, the obligation to work 3 days and also the CHF 70 per missed working day no longer applies as the construction work on the Mother Centre can be considered to be largely complete and the workload has therefore decreased. However, as many passive members like to come to the centre to work together with the core group members, the Plejaren committee suggested that we offer our passive members the opportunity to continue to volunteer for three

days if there is any work at all. Of course, the obligation to register in good time still applies to this VOLUNTARY WORK and, as before, work is only possible between the beginning of April and the end of October.

- E) On the 4th Saturday in May of each year a Passive Group General Assembly will be held and each member should be present if possible. At the Assembly each Passive Group member has a voice and may vote on certain parts of the agenda if necessary.
- F) I am aware that, in accordance with the Passive Group by-laws, I am obliged to apply for a membership I.D. from FIGU. I am enclosing one recent passport photo to be used for the I.D. and the FIGU membership files.
- G) FIGU I.D. APPLICATION:
- 1a) The I.D. given to me by FIGU does not represent an official document and must not be misinterpreted and/or misused as such.
  - 1b) Misuse of the I.D. will result in its confiscation without compensation for any damages incurred, including legal charges by local authorities.
  - 1c) FIGU refuses to accept any responsibility on the I.D. owner's behalf for any repercussions resulting from I.D. misuse.
  - 1d) The use of FIGU's Passive Group membership I.D. as a pseudo-official document is punishable by law and is, accordingly, governed by the legal system's charges and prosecution.
  - 2) The Free Community of Interests' I.D. is a FIGU document as well and serves to verify the bearer's connection with this group, and to confirm his/her membership. Simultaneously, it represents the bearer's authenticity in contrast to other like-minded, but non-FIGU groups and private individuals with the same interests.
  - 3) A FIGU I.D. is only provided in conjunction with the study of the "Spirit Lessons" (Geistes-lehr-Briefe) or a membership in a FIGU group.
- H) I am aware that a PASSIVE-GROUP FIGU membership indicates that each and every STATUTE, as well as all resolutions of the Passive Group General Assembly, apply to me fully, and that I entirely concede to them.
- I) I acknowledge, accept, and consent to all of the above points, rules regulations and personally declare myself in agreement with all of them.
