Golf Course Information:

Fairmont Chateau Whistler Golf Club

The Fairmont Chateau Whistler Golf Course is known for its wildlife, natural beauty, and breathtaking views. Carved out of the slopes of the Coast Mountain range in British Columbia, this magnificent Whistler golf course allows nature to dictate the path without constraints of commercial influence. The mountain course traverses creeks, ponds, stands of ancient Douglas fir and granite rock. Our golfers from Florida and Coastal Carolina will enjoy the elevation changes of more than 400 feet overall. This creates an impressive golf opportunity and a naturally spectacular BC golf experience. Fairmont Chateau Whistler is a landmark BC golf resort and has numerous accolades and awards.

Nicklaus North Golf Club

Located seven minutes from the Fairmont Chateau Whistler Resort, Nicklaus North stands out as one of the great courses in North America. It's no wonder this is only one of a few rare golf courses in the world bearing Jack Nicklaus' name. Snowcapped Whistler peaks. A brilliant emerald-colored lake. Majestic fir trees. Fresh, invigorating mountain air. Whistler Golf at its Finest. This is the setting that inspired the Golden Bear, Jack Nicklaus to create a signature design he can be proud of.

Nicklaus North, which is located between Green Lake and the River of Golden Dreams and was built with consideration for the natural environment of the area, offers breathtaking vistas of glacial mountains. This par 71, 18-hole layout meanders along the valley floor and offers golfers a well maintained, scenic round of golf. Winner of numerous awards since its opening in 1996, Nicklaus North has played host to events such as the Skins Game and the Shell's Wonderful World of Golf, welcoming some of golf's biggest names such as Jack Nicklaus, Nick Faldo, Ernie Els, Greg Norman, Fred Couples, John Daly, Vijay Singh and Stephen Ames to name a few.

Big Sky Golf Course

One of the top public courses in Canada according to Golf Digest and Canada's Score Magazine, Big Sky is BIG FUN! Big Sky was designed to be a modern take on link style golf. This wonderful design allows the course to naturally roll along the Pemberton Valley floor without drastically changing the landscape of the land. Modern touches, however, greet you throughout the course as several giant ponds come into play throughout the course.

Don't forget to bring your camera! Big Sky features the most amazing views of the Pemberton Valley from its base of Mount Currie Mountain. You will see panoramic views of Mount Currie and the surrounding mountain ranges all set against a very BIG SKY! The course is located about 30 minutes north of the Fairmont Chateau Whistler and it is well worth the drive.
