Dear Preschool Parents,

Our year has started strong and the students are having so much fun in preschool. We are learning our routines and making friends – a huge part of what preschool is all about!

It has recently been brought to our attention that parents are concerned about Preschool students not having snack. In past years, students had brought snacks and a drink in addition to their lunch. It quickly became our experience, based on observation, that when children ate a snack, they were often not eating their healthy lunch. Parents then expressed concern when they saw the leftover food from lunch. Therefore, we changed snack to a healthy drink, such as milk or smoothies, and parents sent those in. It was a healthy compromise and everyone appeared to be content.

However, if you are concerned about your child not having a morning snack, you may send in a small healthy snack to school. This snack must be labeled and separate from lunch to avoid any confusion. If there are any questions or concerns, please contact us.

We are looking forward to a strong partnership with you, and a wonderful year for our students!

Sincerely,

Mrs. Jankowski, Mrs. Ellis, Mrs. Burren, Mrs. L'Ecuyer

Preschool Faculty and Staff
