The Oklahoma Insurance Department is announcing a contract award to PSI to administer the insurance licensing examinations for the State of Oklahoma beginning on February 16, 2023. Candidates may contact PSI starting Wednesday, February 1, 2023, at <https://test-takers.psiexams.com/okins> or (833) 333-4754 to schedule their examination.

Testing will begin February 16, 2023. *(Candidates who wish to examine on or before February 15, 2023, will continue examining through Prometric <https://www.prometric.com/oklahoma/insurance>).*

In addition to offering multiple in-person testing centers, PSI will also offer remote testing for all examinations except bail bondsmen. The Oklahoma Insurance Department encourages the use of the online portal which allows for easier access and flexibility to candidates. You can view additional information regarding this testing option at <https://test-takers.psiexams.com/okins>.

Study Materials

The producer and adjuster licensing examinations are based on the latest version of the Kaplan study manuals, available for purchase through the Oklahoma Insurance Department. The Department recently lowered the cost of the study manual to \$35 and may be purchased at <https://www.oid.ok.gov/licensing-and-education/>. *(Applicants may choose to complete an examination preparation course which may or may not use the Kaplan material).*

In addition, the PSI Candidate Information Bulletin which provides you with information about the process for taking the examination including the content outlines can be found at <https://test-takers.psiexams.com/okins>.

Questions concerning scheduling the exam for any candidate wishing to examine on or after February 16, 2023, can contact PSI at <https://test-takers.psiexams.com/okins> or (833) 333-4754.
