PJL by Gane

Tech Sheet #2033 Sample Card #2717001

Issued 02/27/2016

PJL by Gane™

Light weight, resin-strengthened, top coated material

Overview

PJL by Gane™ is the lightest weight, resin-strengthened, top coated material available. The perfect solution where an enhanced-durability liner, endsheet or box wrap is needed. Offering higher fold capability and elongation, and improved water resistance than paper, these attractive aesthetics offer improved performance and good looks.
