

Prayer for 2020

Heavenly Father,

I confess my need for you every moment of my life. I ask that in 2020, my heart, mind, and life would be fixed on you. I ask that you would keep my footsteps firm, on solid ground, helping me to be consistent and faithful. I ask You to give me supernatural endurance to stay the course, not being distracted by other things that would try to call me away from a closer walk with You.

That daily your Words would wash over me. I ask You to keep the truth of Your words planted firmly within me. Help me to keep focused on what is pure and right. Give me the strength to be obedient to Your word. I ask that Your Spirit, and Your Spirit alone leads me each day of this New Year. I ask that You guide every decision and turn my heart to desire You above all else.

I ask that You will open any doors needing to be opened and close the ones needing to be closed. I ask that You would help me release any grip on the things that are not of You. I ask for Your wisdom, Your strength and power to be constantly present within me.

I ask that You would make me strong and courageous so I can reach others for You bearing fruit in every good work. Give me the ability beyond what I feel able to do so that Your gifts flow freely through me, so that you would be honored by the fruit of my life. I ask You to use me so that others would be drawn to You.

Lastly Lord, I pray for your protection over my family and friends. I pray that you would give them discernment and insight beyond their years, to understand your will, hear Your voice, and know Your ways.
