Technical Specification

Up/Down angle of swing arm:±30°

Table size :840mm*405mm

670mm*405mm

Table rotational angle:90°

Table sliding movement range:330mm

Angle of rotation for chair:±60°

Chair height adjustment range:460~600mm

Loading for chair:150kgs

Lifting height for pillow:≤150mm

Backrest obliquity:90°~135°

Electrical Parameters:

Input voltage:110V/220V AC 50Hz~60Hz

Engine power:55W 220V AC

Light:16W 110V/220V AV

Fuse:5A 250V AC

No load power:1W

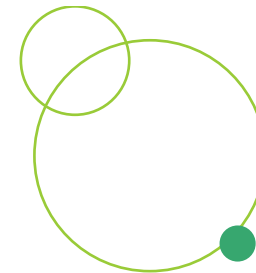

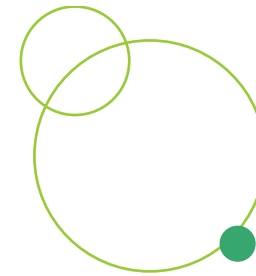

Pressure test:2KV

Main wire:10A 250V

Working mode:S1

Working temperature:-10°C~+40°C

Relative humidity:less than 90%

Installation Dimension

Size :1500mm*1000mm*1990mm

Weight:175kgs

Made in China
