

HOOPS4HEALTH®

3 on 3 Fall League

Join us for the most exciting league and fastest growing league on the North Shore! Be ready for some great games. Our 3 on 3 league consists of divisions for boys and girls of all grade levels. Teams will be competing for a run to the Championship with big awards to be won. The league will be played in a fun atmosphere where basketball fundamentals will be key to the teams growth through the league. 3 on 3 basketball, which recently became an Olympic sport, has been shown to rapidly increase player development through more touches and ball movement. On clinic days we will instruct on the fundamentals including 3 out motion which involves proper spacing, cutting, and ball movement plus screen and roll situations. This will help teams excel on the court and grow as players. Our goal is to increase individual and team skills as well as the players basketball IQ.
