# What is the Church?

Introduction: EPHESIANS 1:22-23

- I. The Church is the \_\_\_\_\_ of Christ: the people to whom God has given Christ Jesus in His exalted supremacy as the head over all things. EPHESIANS 1:22b
- II. The Church is the \_\_\_\_\_ of Christ: the living fellowship of individual members bound together in mutual relationship and obligation to one another under the headship of Christ.  
EPHESIANS 1:23a; ROMANS 12:4-5; 1 CORINTHIANS 12:12-27
- III. The Church is the \_\_\_\_\_ of Christ; the community that is filled by Christ and which manifests Christ to the world.  
EPHESIANS 1:23b
- The world has not \_\_\_\_\_ Christ.
  - If we are \_\_\_\_\_ to the truth of Christ and Christ is \_\_\_\_\_ in us so that His \_\_\_\_\_ and His \_\_\_\_\_ are perfected in us...
  - then, by the church, Christ is \_\_\_\_\_ to the world so that the world \_\_\_\_\_ Christ.

Conclusion
