6. The Home Team Captain is responsible for completing the scoresheet.
7. No player can play more than once in any of the four (4) games played in Divisions B1, B2 and C, and in A Division players will be placed in position 1,2,3 or Ladies and play in that position throughout the nights match. And in Gold & Silver Division in position 1 or 2 and play in the spot throughout the match.

DIDDLE:

ALL games begin with a Diddle, a single dart thrown at the bullseye. The closest dart to the bullseye starts the game if neither dart has entered the bullseye.

- a. There is a Diddle to begin ALL legs.
- b. The player throwing the Diddle first will be decided by the Home Team player. He/she may throw first or second at the bullseye.
- c. If the first thrower has thrown a single or double bullseye, the second thrower may acknowledge the first throwers dart as an inner or outer bullseye and ask for that dart to be removed prior to his/her throw. Should the first dart be removed without the request of the second thrower, a re-throw will occur; with the second thrower now having the option of throwing first. If the first thrower refuses to remove the dart upon request of the second thrower, a re-throw will occur; with the second thrower now having the option of throwing first.
- d. If a player bounces a dart, additional throws may be made when throwing the Diddle until such time as the players dart remains in the dart board. A dart must remain in the dart board to count.
- e. Should the second thrower dislodge the dart of the first, a re-throw shall be made with the second thrower now throwing first.
- f. Re-throws shall be called if the players cannot decide which dart is closest to the bullseye if both darts lay outside the bullseye ring.
- g. Re-throws shall be called if both darts are in the same section of the bullseye. (Inner/double bullseye beats an outer/single bullseye.)
- h. Should a re-throw be necessary, the order of the throw is reversed until a decision can be made. If both players cannot agree on whose throw is closest to the bullseye, then a re-throw shall occur

YOU MAY NOT TOUCH EITHER DART IN THE DART BOARD TO DETERMINE WHICH DART IS CLOSEST TO THE BULLSEYE. IF THE DART ENTERS THE DART BOARD AT AN ANGLE, YOU CANNOT PUSH IT UP OR PULL IT DOWN OR MOVE IT IN ANY WAY. THE POINT OF ENTRY IS WHERE YOU MEASURE FROM.

GAME PLAY:

- a. SCORES MUST BE MARKED BEFORE THE DARTS ARE TOUCHED OR REMOVED FROM THE DART BOARD.
- b. Errors in arithmetic must stand as written/entered unless corrected prior to the beginning of the next players throw. In a team game, the error must be corrected prior to the next player's throw due to the strategy involved.
- c. It is permissible for a partner, teammate or spectator to advise a thrower.
- d. Should a player have any portion of his/her feet or shoes over the throw line during play, all darts thrown shall be counted as part of his/her throw, but any scores made by said darts shall be invalid and not counted. One (1) warning by the opposing Captain shall be considered sufficient.
- e. Only players in a match can go beyond the throwline during play with the exception of players requesting assistance from the Captains.
- f. Please be reminded that this sport is being played in public facilities that are likely to have younger people in the location. Let's keep our language fairly clean and fighting over a friendly sport will not be tolerated.

SCORE-SHEETS:

- a. The winning teams Captain is responsible for texting a picture of the completed scoresheet to the Statistician before 6:00 p.m. Friday after each weeks match. If there is a tie, the Home Team Captain is responsible for turning in the sheet. The sooner you get your scoresheet to the Statistician, the sooner stats will be posted to the SWFDA.com website.
- b. If no scoresheet is received and the game had been played as scheduled, the winning team will forfeit all team points to that match.
- c. The losing team has until the following Friday by 6:00 p.m. to turn in their copy for their points for the previously mentioned match. Copies of scoresheets are available to requesting Captains and on SWFDA.com.
- d. The scoresheet MUST be filled out in order. If a team plays short a player, the fourth (4th) slot of a game would be vacant throughout the entire scoresheet and is a loss for that vacancy.
- e. The Home Team Captain is responsible for making sure the scoresheet is filled out completely and legibly. There are to be no boxes left without an X or an O.

MAKE-UP GAMES:

1. ALL MAKE UP GAMES MUST BE PLAYED PRIOR TO THE LAST TWO (2) WEEKS OF REGULAR SEASON PLAY.
2. If a game is canceled, please notify the Statistician that there will be a make-up game at a later date.
3. It is the responsibility of the Captain of the team that canceled the game to contact the other Captain.
4. Both Captains must make an effort to reschedule the game.
5. If there is a problem scheduling a make-up game or the Captains cannot agree on a date and time, a Captain may contact the Statistician and he/she will set a date and time for the make-up game. IMPORTANT: If the Statistician sets the date and time for a make-up game, it MUST be played at that given time. Any team that does not show to play will be penalized the forfeit.
6. The Board will not insist the make-up game be played on the same night there is a regular play, this can only be done if BOTH Captains agree.
7. Penalty of a forfeit will be invoked by failure to play the make-up game according to the rules stated above.
8. Once a make-up game has been played, the winning team's Captain is responsible for texting the completed scoresheet to the Statistician at (239) 872-0960.
9. ALL MAKE UP GAMES MUST BE PLAYED AT THE HOME TEAM LOCATION.

PROTESTS:

1. If during or after a match, a Captain wishes to protest the match for whatever reason, the protesting Captain shall NOT sign the scoresheet, but will write "PROTEST" on their signature line.
2. The protesting Captain will then notify the President and/or the Statistician the following day that they are protesting the match and give the reason why.
3. The President and/or Statistician will then follow up with the opposing Captain.
4. A Board meeting will be held with BOTH Captains in attendance, to review and decide a response and outcome of the protest. If a Captain does not attend, the outcome will be awarded to the Captain in attendance.
5. Protests may consist of a certain individual, a problem with a location/bar, or a whole team. Please contact the Board so we can make this the best league in the Southwest Florida Area.
