

THE CHAMINADE MUSIC CLUB
Celebrates the Second Century
 2021 SCHOLARSHIP AWARDS VIRTUAL COMPETITION

The Chaminade Music Club awards are given to high school students for the advanced study of classical music. The awards are presented to both vocalists and instrumentalists. In a typical year, the benefits for the participants include the experience of a solo performance in front of a live audience, as well as constructive critiques from a panel of professional musicians. Prizes up to \$1,500.00 are awarded each year. It is hoped that these awards might be helpful to the winners in their future study of serious music. This year we will hold a virtual competition, and applicants will send their videos to Nathan Johnson, Scholarship Awards Chair, and the judges at these email addresses by March 20, 2021. The awards will be announced at our online recital on March 28, 2021, at 2:00 p.m.

Applicants must present two selections from one of the following musical periods: Renaissance, Baroque, Classical, Romantic, Impressionist, or 20th-21st Century. All repertoire must be in what is generally understood to be a classical idiom. Total time of the applicant's performance should not exceed fifteen minutes. Applicants are required to perform their selections from memory. It is better for a student to select music which they can perform well rather than to select music that is too difficult. Please visit our website for more information.
