Chaplain's message :

PRAY FOR OUR COUNTRY

I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world. John 16:33

If my people. Who are called by my name, will humble themselves and pray and seek my face and turn from their wicked way, then I will hear from heaven and will forgive their sin and will heal their land. 2 Corinthians. 7:14

Be still before the Lord and wait patiently for him; do not fret when men succeed in their ways, when they carry out their wicked schemes. Psalm 37:7

As I look at these verses I am reminded how these apply to each and everyone of us in our daily lives and every situation we may come across. I also am reminded how Faithful God Is and how Good He Is. Stop a moment today and reflect how God has been Faithful in your lives - sometimes we forget how faithful He is when everything seems to be running smoothly. Remember God is in control of everything in our lives.

Prayer is very important in our lives and a means to communicate to God of our needs and giving praise to Him.

Watch your emails there may be special prayers lifted up for you from time to time.

President French's Message

Presidents Message March 2019

The Hot Rods are coming...the Hot Rods are coming!! I can see them on the horizon, all shiny and sounding like a million bucks!

Just think, in less than 3 weeks we will be in our 29th season of hosting the Christian Classic Cruisers car shows. Wow, ya'll should be proud of what you have accomplished, I sure am.

Our first show is Saturday March 16th and I'm praying for great spring weather, mild temps and a light southerly breeze. Tornados, torrential rains and cold temperatures need not appear!

I hope you are planning to make it to the club meeting Tuesday March 12th. We will be going over some areas where we could use some help and discussing brief training for judges and registration, so we are all on the same page with the changes we have incorporated. We also have Nice NEW pop up canopies this year and I'd like to train a few folks on the easy way to put these up. These are sooo much nicer than the old ones!

This year all members need to wear your Burgundy club shirts to the car show, especially judges. We are doing this so that the participants know who the club members are and that the CCC judges are only wearing Burgundy club shirts. Everyone else is a spectator!!

I'm ready to get this show a rollin', how about you?

Vice President's Message

Yahoo – March is upon us and its car show time!

I think (hope) that everyone is ready for this and the folks that do the important job of helping to make the shows a success, that is all the club members, are ready for the first show.

There will be changes this year in how we do some things, but change can be good if we go about it the right way, with a positive attitude. The changes primarily will be in the designation of what vehicles go into what class and a new numbering system for the classes. This was all done to even out the number of cars in each class to aid the judges so as one would not be overwhelmed by the number of cars in a class and another walking the parking lot looking for the one car in the class he or she is judging.

There may be participants that are unhappy with the new class they are in and others may be happy with where they are. We will have to deal with that as we go along.

Judging will be critical to the new plan and each car must be judged on the merit of the car and not what the car is. Who cares what it is, a car is just a car and there is absolutely no reason why a 1947 Hudson can't score as many points as a 1957 Chevy if it is judged correctly? We have cars that come to the show and the owner expects an award because he or she always gets an award. If we judge correctly, maybe someone else who has taken more time to prepare their car would walk away very happy because their extra effort resulted in winning. This is just competition, work hard and you may win, get lazy and maybe you won't.

Now before you decide to burn me at the stake:

Judges – don't forget to wear your maroon shirts

All club members – Let's get out there and meet the car owners and thank them for coming, after all without them we wouldn't meet our goal for Christmas Benevolence!

Greetings CCC members

We have an exciting year ahead of us. We have

8 Life Time Members
32 Paid Members to date. I made a mistake last month and reported 3 members twice.

You can mail your dues to me:
1709 Ridgeview Dr.
Arlington, Texas 76012

Current records show that there are about 12 members that are past due.
I do have your number and will be contacting you. And I can't except I.O.U.

Hey Guys and Gals!

Our EOM club breakfast attendance is growing. This is great! Remember club members we went to a Harwood café, a different location to accommodate those that lived north of Airport Freeway. What a time we can all have just chill'n out a couple hours once a month on Saturday. I have discussed with CCC board of some trips that could be fun to go on. It will probably be better than Blue Bell. You have to attend to enjoy! Get involved folks.
