

Meeting called to order by Bizz and he also led the pledge of allegiance and a moment of silence for our troops. Treasurer report read and approved by Terry and Abe. Secretary report read and approved by Connie and Bizz. Terry brought us bike tickets to sell. Terry and Connie also gave us some key chains, pens, and wristbands with the ABATE logo to pass out. Eric sent them to our region. Hopefully, we can get some new members to sign up and we can give these items to them. We were also informed that if you bought Field Meet Tickets last year and you weren't able to go, they are good for this year. Due to the Seminar being cancelled because of covid-19, the elections will be held Sunday morning at the Field Meet. Another discussion was the different patches and there meaning. Also, Terry brought us information on the Legislative Days and the events for 2021. We were also given a listing of the State Representatives and the House Representatives for 2021-2022. Meeting adjourned by Connie and Abe at 2:15 p.m. Till next time...stay healthy and safe!!!

Thanks Shelia
