Thank You

I would like to take this opportunity to thank the Gaslight Board for allowing me to direct this 100th production. Josh Kaspar, Elaine Berkovsky and crew, the set is amazing. Thank you Jim Winkenwerder for showing Frankie 'the ropes' on lights and sound. To the House, as always, an outstanding job on hostessing, serving and cleaning up. To Reservations, your hard work is so greatly appreciated. Last, but not least, a huge thank you to my very talented cast and crew. This play was such a blessing to direct. The time you devoted is so greatly appreciated. Patti
