**Colossians 3:14 - Beyond all these things put on *and* wrap yourselves in [unselfish] love, which is the perfect bond of unity [for everything is bound together in agreement when each one seeks the best for others]. [AMP]**

Father in Heaven, You are Love. Let each one of us come to You as we are and be overwhelmed by You. Let each one of us wrap ourselves deep within every part of You. Let everything we receive from You fill us to overflow into others, even to those who have lost hope in this season. Let Your unfailing love reach ALL the darkest places within ourselves as well as others that You bring to us. Let us look at others as You see them and not with our human eyes. Allow Your love to penetrate every facet of this world to bring about Your purpose of unity among us.
