

MINUTES

HSA PTA Meeting

March 17, 2021, 8:45 am | Meeting called to order by Melanie Walsh

COMMITTEE REPORTS

Full meeting minutes not recorded this month – overview recap from fellow PTA member.

- **Gala:** Need more donations/events/experiences/things people will want to do virtually. Working on VIP box and what to include. Considering wine/wine glasses (maybe insulated), desserts. We want people to want to buy; thinking \$40-50 per person but may adjust based on cost of what's in it. Erica will have boxes at school for pickup. Hopefully there will also be a complementary restaurant option as well.
- **Raffle:** We plan to restart planning soon for a raffle date in April after spring break..
- **Community Engagement:**
 - We have trivia night coming up this Saturday...so far good participation for the K-2nd cohort & 3-5th, not as much for the older kids though. We partnered with Jamie Fleischmann to do a snack pack deal with Candyality to go along with trivia night. We also talked briefly about possible ideas for an April event - maybe an outdoor get together if weather & COVID allows. We haven't really started planning for teacher appreciation which is the 1st week in May.
- **NCAA fundraiser:** we've raised over \$1500
- **Membership:** We talked about adding a link to the Illinois PTA central hub on the HSA PTA website

NEXT MEETING

April 14.
