**◀◀◀ For Your Information ▶▶▶**

Due to our many exciting camp activities, your camper may not have time to be on a cell phone. The camp director will contact parents if there is a need; this includes but is not limited to, any illness that causes a fever for more than 6 hours, anytime a camper vomits, any accident that injures the camper and anytime the director feels it is in the best interest of the camper to inform the parent.

Camp is meant to be a special environment. If the camper brings everything that they are used to from home, they are less likely to engage fully which in turn lessens the likelihood for growth. Adults will be asked to leave their phone back in the cabin during the day. If the phone becomes an issue even for an adult, we will ask for the phone or the camper will not be allowed to continue at the camp. We are very serious about each camper reaching their full potential.

**\*\*\*Please be sure to bring towels, wash cloths and linens/or sleeping bag, pillow and any personal hygiene items\*\*\***
