

## **CAC ADOPT A STUDENT PROGRAM**

Sometimes generous people want to help specific families and students with the cost of tuition by giving a donation for that specific student or specific students. IRS code does not permit donations to a specific student to be tax deductible. However, donations to the CAC SCHOLARSHIP FUND are tax deductible. While a person may request that their gift be directed towards a specific student, the school cannot enter into an agreement to make sure that the donated funds are going to a specific student's tuition bill. The student will still need to go through the regular scholarship process as other students.
