Sheriff Dush also reported on a new hire, this is a local resident Mr .Pettigrew from our area. He thanked the board for their support and said do not be afraid to call him with any concerns.

CAAS Report: Supervisor Thelen has been keeping in contact with director Weber on the date of the arrival of the new ambulance. Director Weber reported that it is looking like late September. A used ambulance has also been purchased that is in good shape and is a plus for the number of runs they have been doing. It could have had a worse outcome and want to be more prepared if an incident like this happens again. The broadband situation is still on going, trying to get proposals to company's who provide internet so some sort of commitment from them will coincide with what the County and State is trying to accomplish.The commissioners are asking the Townships if they would produce a letter of support to the Board of Commissioners for Broadband.
