

He is For ME!

Say it. I don't care how silly it sounds, just say it out loud right now. "He is for Me!"

Friends, "He is for you" is found in abundance throughout His Holy Word. God has revealed many things that help us pass the challenges of life but, none as great as these five words, "God is on your side!"

Nothing is hidden from Him. God knew before the beginning of creation who would choose to love Him. The Lord has designed our life from the foundation of the world.

We may go through periods when we think we just can't make it a day longer. We might shed countless tears. But something deep inside will rise up reminding us that He works all things for good (Romans 8:28) and He is for us!

The more we grab hold of the truth knowing God is for us, the more our perspective on life changes. The stronger in Him we become. Today is your day to rise up.

God is saying: "I AM is for you. I Am with you. You are precious in My sight. You are honored and cherished by Me. I love you. It is not in My plan for you to fail. My purpose is to give life in all its fullness to you."

The promises of God are laid out before us, and we discover these promises by walking in God's purposes. His plan for your life has been woven into creation and that is why all things work together for your good.

The Bible tells us that God, the Almighty, the Creator of the heavens and the earth, is for you! He loves you. He is with you always. As long as you are trusting God and abiding in Him, you can be assured that God is for you.

Every attack against your finances, your health, your minds or your relationships will not prevail for- God is for you! His Word carries you through to Victory every time!

Being in God's will does not guarantee that you will evade trouble and adversity, but it does guarantee that every trial you face is an opportunity for God's love to actively work together for you good.

Nothing can match His Glory. Nothing can match His strength. There is nothing that can prevent a believer from walking in His power, His might or His grace. God is working in your life for good because God is for you.

Lord, right now we agree that all of my days are held in Your hand. I declare right now that I trust You. I declare that each of my days are crafted into Your perfect plan for me. I can confidently say that No weapon forged against me will prosper because He is for me. Once again I surrender my heart to You.

Lord, I ask that You open up my mind, that You touch my body and overwhelm my spirit with the inflow of Your Holy Word. Saturate me with Your unspeakable joy and peace. Lord, I hunger and thirst for Your righteousness. Above all, I thank You that You are always for me.
