About Me

Hi, I'm Nicole! I have been on staff at VCS since August of 2023! My education is radiology but really felt God leading me a different direction, and I am SO happy I made the switch!

VCS is full of amazing people who truly want to lead children to Jesus. When I am not at school, I'm probably with my husband, Nick, and our two kids! I love coffee, Mexican food, and brownies without frosting!

One of my favorite verses is Matthew 6:33 "But seek first the kingdom of God and His righteousness, and all these things will be added to you."
