Insurance bill has been introduced again and it is the same as last year. It is horrible for us. Please go online and read. There is also a lot about this in the rider. Those who were at seminar learned about this as well. Also on line is a prewritten letter that you can sign and send to the rep for your area letting them know not to vote on it. Wally will keep us updated.

The seminar was a great time and educational. More people need to come. Lil Joe was our member of the year but was not able to attend to Wally presented him with his MUG. This year was the most our region has every donated and we came in 6th. Great job!
