

The Story of Joseph and His Coat of Many Colors

This is the story about a young man named Joseph. His father's name is Jacob, and they lived in Canaan from where his grandfather was from.

Joseph was seventeen (old enough to drive a car these days), and he had eleven brothers; and only had one brother younger than him. Can you imagine having eleven brothers to play with, or fight with?

Because Joseph was one of the youngest sons, his father spent more time with him, and he became very special to him. So Jacob had a special robe made for Joseph. (They didn't have jackets back then, so this was a very special jacket). It was very beautiful and had every color you could imagine in it.

All of Joseph's older brothers saw this and they got very jealous. The word jealous means that Joseph's brothers disliked him because they thought his father liked him more, and because he got the special coat. They got so jealous they couldn't even say a kind word to him.

One day Joseph had a dream, and he went to go tell his brothers. He said, "Guess what? Last night I had a strange dream. We were tying up bunches of grain out in the field when suddenly my bunch stood up, while all of yours gathered around and bowed to me." The brothers looked at each other in disgust, but Joseph continued. "Then I had another dream that the sun, moon, and eleven stars bowed down to me."

"Who do you think you are?" The brothers said. "Do you think that you are better than all of us? Do you think that we would ever bow down to you?" This made the brothers dislike Joseph even more.

When he told his father about his dreams he said, "Those are strange dreams." But he thought carefully about what Joseph had told him.

A few days later Joseph's father asked him to check on his brothers. They were in the fields quite a distance away. So Joseph went to find them.

When the brothers saw Joseph in the distance, they made a plan to kill him. But when Reuben, Joseph's oldest brother heard this he said, "Let's not kill him, just throw him in a well out here in the field." He said this because he was secretly planning to come back and rescue Joseph when the other brothers had left.

So when Joseph came to them, they took off his beautiful robe and they threw him in an empty well. A little while later a group of people came by that were wanting to sell some things in Egypt. One of the brothers spoke up, "Why don't we sell him to these people, this way we never have to see him again, and we don't have to kill him."

The other brothers liked this idea, so they sold him to the people who were going to Egypt.

Unfortunately Reuben had been working and hadn't seen what happened. When he returned to the well he noticed that Joseph was gone. He had been sold to an important man named Potiphar, an assistant to the Pharaoh of Egypt.

The rest of the brothers took Joseph's beautiful robe and dipped it in animal blood and took it back to their father. When the father saw this he cried, "Some animal has killed my son." And he cried for many days, so much that nobody could comfort him.

Now Joseph had started out as a slave, but the Lord was with Joseph and He helped him do everything right. So Potiphar made him his helper, and put him in charge of everything that he owned.

The problem came when Potiphar's wife lied about Joseph to her husband, so Potiphar had Joseph put into jail.

The Lord was still with Joseph in jail, and the warden put Joseph in charge of all the prisoners. He never worried because the Lord was with Joseph and helped him do everything right.

After Joseph had been in jail for some time a cupbearer and baker to Pharaoh had been sent there. One night each of them had a dream. They told their dreams to Joseph and he told the cupbearer that he would soon be let out of jail. "Please tell Pharaoh about me, and ask him to get me out of here." Joseph said.

When the cupbearer was freed he forgot about what Joseph did. So Joseph stayed in jail for two more years. Until one day the Pharaoh had a dream, and nobody could explain it to him. The cupbearer then remembered what Joseph had done for him, and Joseph was brought to Pharaoh.

"Can you understand dreams?" Pharaoh asked. "I can't, but God helps me." Joseph replied. After Pharaoh had told him his dream Joseph explained, "God is warning you. There will be seven years when nothing will grow and there won't be any food for anyone."

"What can I do?" Pharaoh asked. "God has shown you what to do. There will be seven years before the bad years that will be very good. So good that there will be extra food for everyone. So you should save a little bit of each years harvest, that way you will have enough to get you through the bad years." Joseph said.

Pharaoh believed all that Joseph told him, and put him in charge of all the land of Egypt.

People came from all countries to buy grain from Joseph, because the whole world was in need of food. Some of those people were Joseph's brothers. When his brothers came, Joseph recognized them, but they did not know who he was. (It had been over 10 years since they had seen him).

The brothers all bowed to him because he was an important person. Just as he dreamed they would at the beginning.

After a few meetings with his brothers he could not keep it in any longer and Joseph said to his brothers, "I am Joseph! Is my father alive?" But his brothers couldn't answer him because they were afraid. Then Joseph said, "Come here. I am your brother, the one you sold! Do not worry, and do not be angry at yourselves for selling me, because God has put me here to save people from starving."

So his father, his brothers, and their families came to live in Egypt with Joseph, and they had all the food they needed.

Samantha, Alabama

In the northern part of Tuscaloosa County, Alabama exists a hidden treasure! A wonderful community called Samantha. Named by the first postmaster whose wife was Samantha. Home of The Northside Rams, The Annual Legacy of Love Festival and local landmark Good Shepherd Statue.

It's a country life and southern to the core. You won't find much fine dining. Well, unless you are like us and consider steaks on the grill, fresh vegetables, homemade ice cream and sweet tea or fresh squeezed lemonade fine dining. You won't find any art museums. Well, unless you consider a beautiful blue sky cathedral or the most amazing sunset you have ever seen a piece of art. You won't find a lot of entertainment. Well, unless you consider lots of porch sitting opportunities and sharing a cup of coffee with a friend entertaining. You won't find a lot of industry. Well, unless you consider farming, logging, country stores, produce stands, etc., as way of making a living. You won't find any symphonies. Well, unless you consider birds singing as one of the most melodious sounds you've ever heard. You won't find any Societies or Country Clubs. Well, unless you consider a group of folks who belong to the same

church or Sunday school class such a group. You won't find any colleges or universities. Well, unless you consider the school of common sense, hard work and fear of The Lord as knowledge.

Please visit us soon and often. Travel that country road to the end of the County and experience it for yourself. You won't be disappointed. We promise.

Every family has a story... Welcome To Ours...

We come from a long line of love — a family of deep roots. And like redwood trees whose roots reach out and intertwine with each other in order to stand strong, we recognize that we need our neighbors and friends support to help make our community strong.

We believe God wants us to be like giant redwood trees supporting each other and planting shade trees for others to sit under. We invite you to join us. It is our desire to always honor and glorify our Lord and Savior Jesus Christ in all we do.

We look forward to seeing you on Shepherd Hill.

Good Shepherd Foundation

A 501(c)(3), Faith-Based Organization

Johnny Williamson was driven to help others and he practiced the act of giving daily. He was always prepared to provide a need for his neighbor, never asking for anything in return. It was out of his love for his Savior (The Good Shepherd) that he loved others. Whoever is generous to the needy gives to the Lord. Proverbs 19:17

Out of community need and requests from his friends after his death, his children started the Johnny Williamson Good Shepherd Foundation. It is our desire and prayer to fulfill this *legacy of love*.

Our Purpose:

As we have opportunity, let us do good to all, especially to those of the household of faith. Galatians 6:10

Our Mission:

To continue the legacy of love for others by providing support and assistance of daily essentials to individuals and families in the Samantha and surrounding communities.

The Good Shepherd Statue

After the death of his mother, Pearlie Mae Williamson, Johnny Williamson was inspired to create a representation of the 23rd Psalm. It was her favorite scripture.

A cypress log was chosen for The Good Shepherd Statue because of the longstanding belief that the Cypress is the "gopher wood" (or kopher which is the Hebrew word for waterproof) that Noah used to build the ark. He worked alongside longtime friend and local artist/sculptor, Willie Logan (1940-2010), to carve the 6-1/2 foot statue of The Good Shepherd.

The best recognized example of a symbolic shepherd is in the Son of God, Jesus. In John 10:11, Jesus spoke of himself, I am the good shepherd; the good shepherd giveth his life for the sheep.

Joshua 4 teaches us to set up memorials as reminders of what God has lead us through and to give us opportunity to teach our children about our spiritual heritage to glorify God. The Good Shepherd Statue is intended to be such a memorial. It is located on Highway 43 North, approximately 2 miles north of Northside High School.

We respectfully request that the statue be referred to as The Good Shepherd and not Jesus in a box!

Shepherd Hill Opry

The outdoor Amphitheatre was built in memory of Johnny Williamson by his children on the property where he called home and created deep roots.

Johnny called family gatherings parties, which consisted of family, friends, food and music. He instructed his children to continue having parties on his property after he was gone. This site is intended to glorify God and continue Johnny's legacy in the community he loved so dearly with his multitude of friends. All net proceeds benefit the Johnny Williamson Good Shepherd Foundation.

Concerts are held throughout the year. Well-known artists Allen Frizzell (Lefty Frizzell's younger brother), Marty Raybon (lead singer with Shenandoah), Lulu Roman (former Hee Haw Star), Guy Penrod, Clinton Gregory Bluegrass Band, Jennifer Brantley, Gerald Smith, and Addison Johnson and Donnie Lee Strickland have performed at Shepherd Hill Opry as well as Shannon Knight formerly with The Gaithers. It is a tradition that the last song is always I Saw the Light with all the crowd joining in.

This is an alcohol free venue.

Shepherd Hill Opry is a ministry of Johnny Williamson Good Shepherd Foundation, a 501(c)(3) Faith-Based organization.

The Little Closet Community Food Pantry

Neighbors Helping Neighbors. The Little Closet Community Food Pantry is supported through a cooperative with the local churches and partnership with local businesses and individual support. It is governed by an Operations Board of volunteers who live in the Samantha and surrounding communities.

The story behind the name: The Little Clogat.

Johnny's mother, Pearl Williamson, was an avid gardener like her son and worked feverishly to preserve the bounty of her labor so that she could share it with neighbors and all who entered her home. She called her pantry, the little closet. We can still hear the echoes of her saying "Hun, go in the little closet and get you some beans or whatever you want". She always kept the door open to this room. A Legacy of Love in Action.

The Little Closet Food Pantry offers this same "open door" welcome to anyone who needs a hand-up.

MISSION: The Mission of The Little Closet Community Food Pantry is to serve those in need of food with kindness, respect, and confidentiality. Partnering to serve our community by providing nourishment of body, mind and spirit with the love of Christ.

The Little Closet Community Food Pantry is a ministry of Johnny Williamson Good Shepherd Foundation.

Our Vision

The Foundation is two-pronged. In addition to meeting the basic daily essentials we want to build up our community with encouragement and promote good will and relationship with our neighbors. The purpose of the concerts and parties we host on Shepherd Hill is not just to raise money to fund The Foundation and The Little Closet but to also encourage, provide folks something to do, buildup and strengthen relationships in the Samantha and surrounding communities. That's how we come to find out each other's needs, through relationships. Communities grow stronger when folks regularly and persistently do a variety of simple things together that give them opportunities to connect with others, build trust and get involved in doing things together. Relationships grow from people sharing food, helping others, listening to music under the stars, and just joining together. It serves the purposes of connecting people, building trust, and involving people with each other. What matters to the quality of community life is the number of people who regularly connect and mix it up with one another.

There is more to overcoming social inclusion and social needs than taking actions like these, but these are good practices to build a stronger, foundation for our common life.

Sharing the love of Jesus is at the very heart of anything and everything we do. We have the desire to meet our neighbors social needs/daily essentials (food, clothing, housing, heat, etc.) because we have experienced His love and our Daddy demonstrated this for us. (Galatians 6:10). However, we don't want to socialize the gospel. We want to gospelize the social - So that the gospel addresses every social condition that we ever encounter. We are not just a humanitarian organization addressing temporal needs. We are concerned with the eternal. We want to share the good news. (John 3:16). We envision Shepherd Hill as a place for all needs not just a place for the needy. We don't often think of daily essentials including our emotional and spiritual needs but we all have those needs. It's not just food and clothing. We are responsible for our neighbor's physical AND spiritual wellbeing.

Pearl-Frances Chapel

October 6, 2016 - The charming, historic New Lexington Voting House was relocated from Highway 43 North across from Big Al's Restaurant in New Lexington, Alabama, to its new home on Shepherd Hill and will soon begin its transformation into Pearl-Frances Chapel. It was acquired from previous owners, John and Peggy Walker. Named for The Williamson Siblings' grandmothers, Pearl Williamson and Frances Keaton.

When complete, with steeple, cross and bell, the chapel will make a perfect venue for an intimate, country wedding, vow renewal, baby dedication or any special occasion with family and friends.

It is our hope *Pearl-Frances Chapel* will provide a place for our community to stop in for special prayer needs or to have a moment with The Lord and that it will serve to strengthen our community.

"Momma's Kitchen"

No gathering is complete without food. So, construction has begun on a concession stand.

Growing up, Momma (Doris Rebecca Williamson), spent many hours in the kitchen daily showing love to her family making each one their favorite dish. Sometimes cooking breakfast at three different times to accommodate everyone's schedule. The Williamson family gathered at the table every evening to share a meal together. And, although her devoted service was not fully appreciated then, the lessons she taught about the importance of having a family meal together are forever engrained in the hearts of her children. Jesus also left us many examples of fellowship with others by breaking bread with those He loved.

So continuing daily with one accord in the temple, and breaking bread from house to house, they ate their food with gladness and simplicity of heart, praising God and having favor with all the people. Acts 2:46-47

Johnny called gatherings a party. He told his children to continue having parties on his property after he was gone.

The Legacy of Love Festival is a community party celebrating the memory of Johnny's birthday, April 19th.

The Legacy of Love Festival is held on the 3rd Saturday of April each year on Shepherd Hill in Samantha, Alabama.
