

Janet Tompkins McMahon, MSN, RN

Janet Tompkins McMahon is a member of the nursing faculty of Towson University in Hagerstown, Maryland as Clinical Associate Professor of Nursing. Ms. McMahon has over twenty three years of nursing education experience in teaching. She is a national consultant; speaker and presenter. Topics include an array of subjects dedicated to the nursing profession to improve outcomes in education.

Janet has served on the Board of Governors for the National League for Nursing, was President elect and board member for the DC/Maryland League for Nursing. Throughout the years, she has authored and reviewed for several national publishers. She has served on the National Council of State Boards of Nursing as an item writer and reviewer. She is also a member of Sigma Theta Tau International.

Janet is a proud alumna from The Pennsylvania State University, St. Francis University, Joliet, Illinois and Geisinger Medical Center School of Nursing in Danville, PA. She is a current Doctorate of Nursing Practice (DNP) student at Capella University, Minneapolis, MN.

PN Council FD 115

Workshop Objectives

1. Identify the benefits of defining clinical expectations
2. Identify ways to evaluate student clinical preparation.
3. Discuss strategies for evaluation of student medication delivery.
4. Identify criteria for evaluation of student learning.
5. Discuss clinical preparation with concept maps and student contracts for student accountability.
6. Discuss post clinical activities.
7. Examine & discuss the workplace environment today in academia.
8. Identify triggers for incivility and aggressive behaviors in the academic environment.
9. Discuss strategies to improve and foster positive outcomes in the academic workforce and reduce incivility.

Workshop Goals

- Foster an environment that enhances personal and professional growth as it relates to the role of nursing faculty.
- Promote networking among Dean, Directors, and faculty of PN, Diploma, ADN and BSN nursing programs in Arkansas.
- Provide educational tools to enhance and advance faculty knowledge and skills related to nursing education.
