From Your Exalted Ruler

...Hello again, well things seem to be smoothing out and running well, Saturday nights are picking up, The Queen of Hearts Progressive raffle sales are getting better. We can use your help on the raffle, if you want to sell some tickets please send an email to Mark or Chuck QOH@elks1588.com. This is a public raffle therefore, we can sell them to anyone. There have been some changes inside the club room and we are fine tuning them with discussions which seem to be happening on a daily basis between the officers, trustees and committee people. As I write this we are getting ready to open the patio and have our first Saturday initiation. I will update you on both of these next month. Please know that if you have input or ideas we welcome them, just join us at a meeting every 1st and 3rd Tuesday. You will get your time to bring your ideas, thoughts and even complaints. If we can't give you an answer right away we will certainly be as prompt as possible. Please enjoy the new format of our newsletter and newly updated website, please follow us on Facebook and update your email address by submitting it to info@elks1588.com. We are using every way possible to keep you informed as to what's happening. Thanks and I hope to see you soon.

Share the pride of Elkdom: Connect with new members

By Rick Gathen Membership and Public Relations Manager MI Elks Newsletter April 2015

No matter how good you are at membership retention, you'll still need to recruit new Members. Prospective members will likely be more receptive to joining your Lodge if your message comes with an endorsement from someone they value. Public relations provides a huge opportunity for such peer recommendations to help spread your communications to prospective members. And since your Members are the ones sharing your message with their friends and family, those friends and family will be more likely to actually listen to what you have to say and join your Lodge. Make sure every new Member gets three applications to recruit friends and family. They will earn the prestigious GER Award pin.

Elk Sports-

By Gary D

Must be spring around these parts. I'm seeing a lot of fish belly colored legs (sorry guys), and equal sightings of pretty ladies in sun dresses. That warm sun sure feels good on my fish belly colored legs. That also means the end of the season for the Friday Night Trio Bowling League at Luxury Lanes. It took us till the final 10 weeks to get our last team but I think they were worth it. The newest Elk, Brian White, and his band of merry men, Marc Murphy and Zach Hreha, were a welcome addition to our league. Zach particularly made his mark early by banging out his first career 300 game. It's always a big thrill to see someone get their first perfect game. He'll probably be cranking them out left and right now that he's got a taste. He joined the likes of Ralph Clemens and Jimmy Wilk, the high average gunners of the league, and Michael Kelley for High Game of the league. Jimmy captured High Series with a 791 mark. Oh, that's right. Which team won the league? Well hold onto your sun bonnet. It wasn't my team, The Mad Men, although we were in the roll-off by virtue of winning the 1st trimester. Pronto Pest was there as well, winning the 2nd trimester. The 3rd team in the mix, KT Sales, got there by romping past everybody in the 3rd with a 57-13 mark. In the round-robin match KT got the early jump, beating my guys by 49 sticks thanks to a 247 game by their anchorman Dave Sutter. We were able to stick it to them in the 2nd game, with Chris Fiebig's 225 and yours truly finding his way with a 243, leaving us deadlocked going into the last game. Pronto Pest tried to keep up but I think the lights got in their eyes. Rob Goble chipped in with a steady 629 series but was a tad overmatched going 1 against 3. Our guys had to switch lanes for the 3rd game and just got overpowered by the sharp-shooting Dave Sutter who crushed all in his way with a 257 game and a fine 722 series. Chris Fiebig did his best with a 237 effort, but he was gobbled and we were gobbled. So, congratulations to KT Sales on their three-peat. Sutter and his teammates Michael Kelley and David Duckworth will go into next season as the well-earned Team #1, again. But they should look in their rear-view mirror for that new team of whippersnappers. They just may be reaching for that torch. A round of kudos to the runners-up Mad Men, with George Gollnick, myself, and Chris (Bam Bam) Fiebig. As well as the Pronto Pest gang of Steve (Chico) Alcalá, son Scott (Scooter), the aforementioned Rob Goble, and Danny Tucker. We'll be looking to exact a measure of retaliation next season, for sure. To quote the Chicago Cubs: "Wait till next year." Have a safe and happy summer everyone.

Trustee Corner

Members all,

How befitting I write this column for you at the hour of eleven as I remember our absent members. My father, your fellow elk, being one of them. He loved this Lodge as much as I do and had big role in assisting the lodge to invest wisely, ensuring its financial stability for many years. As most of you "older" members remember he put up some financing for the building next door many years ago. That investment has been a very profitable one for our lodge. We sold the building along with many financial responsibilities that are attached to owning it. We bought the building next door for \$30,000 the negotiated sale price is \$212,000. We saved a good amount of money by not going thru a commercial real estate broker and dealing directly with Mike Hennes. He has been one of the best tenants a landlord could ask for! One big bonus is that because the building was free and clear of any debt we were able to finance a mortgage to Mike. We will earn an additional \$57,076.86 in interest over the next 12 years. The nice thing is we will be receiving a monthly payment that will give us the financial security to do more good in the world.

After going through most of our archives I could easily see how this lodge helped its citizens for close to a century!

I am proud to be member of Ferndale Elks #1588 and most of all I am grateful to all our fellow members who have gone before us. Thank you for your guidance. To our absent members.

Fraternally yours,
Richard Guay
Trustee Chairman.

Letter From the Editor:

Members all,

The lodge has been looking for ways to save and raise money to make our lodge more financial stable. One thing we have done is made the Hour of Eleven in house. I have stepped up and volunteered my time to do the layout, format and editing. Doing so we can accomplish a lot and save money doing it ourselves. If you would like to submit an article the due date is the 20th of every month. You can send it via email, Facebook, etc.

One of our newer members Chris Harris has taken on the task of selling advertisement space. You will see a lot more ads in the Hour of Eleven. These local companies have donated in upward of \$1000 to the lodge for these ads. Ads with a elk insignia  indicate the ad was taken out by a business owner from our lodge. We have voted to use these funds strictly for lodge upgrades and improvements. Over the coming months you will see some of these improvements implemented.

If you own a business and are interested in advertising please feel free to contact Chris Harris at **advertising@elks1588.com**. Also be sure to check out our updated website!

Hello, With Memorial day fast approaching we are looking for crafty people to help/volunteer with the construction of the Memorial Day Float! Unaffiliated spouse

We have been asked if a spouse who chooses to take an Absolute Dimit, or has been dropped for non-payment, may enter and stay in the Lodge. Yes, if he or she conforms to Section 14.190 Opinion 03 of the 2014 Statutes Annotated, which states: "The exception permitting visitation of a Lodge by a non-suspended spouse, or a delinquent Member spouse, means that the non-suspended or unaffiliated spouse is treated as if he or she were never a Member." Your Annual Membership Report was filed on April 1, but have you filed your Annual Charity Report? Has the Lodge paid the Grand Lodge per capita and assessments? April 30 is quickly approaching. A common question has arisen as to when the Grand Lodge-calculated membership total will be lowered to coincide with the Local Lodge total. This will happen when the Secretary sends the paperwork to the Grand Secretary and the 2014-2015.

Jerry Olli's Retirement Roast- April 18th

We would like to thank everyone who came out to celebrate the retirement of Jerry. He was roasted turned over and roasted again! He capped the night off by singing us his rendition of New York, New York. He told all of us he was demitting to the Guam Elks Lodge #1281. They would be the only Lodge who hasn't heard of Jerry Olli and would accept him. Jeff Bolen our ER said "he would not be signing any paperwork for him instead, he appointed Jerry as Emeritus Secretary for our lodge". Jerry has taught thousands of people the real definition of Elkdom and he will now forever be a Ferndale Elk!

Starting on June 6th at 7pm we will be starting a Monthly Birthday Celebration. If your Birthday falls in that month you will receive a \$10.00 drink credit for this event!

Behind The Bar-

Fellow Elks,

One of the hardest tasks of life is change. When I took on the task of running the lounge I knew it would be a difficult one. We have to make sure the Elks accounting principles and practices are followed. This is why some of the drink prices have changed. I am looking at the cost of what we sell and taking member input into consideration when setting prices. I knew from the beginning some feathers would be ruffled and others would be excited of the changes that are happening. I have been to every District Meeting and have asked several Lounge Managers their opinions and how they run their lounge, etc. One thing you may have noticed is the weekly entertainment we now have. With this is another overhead cost, so I have asked other lodges what they do. Each one of them has told me they raise drink prices to help defer the cost. So our drink prices raised during entertainment \$0.50. Some of you have noticed some of you have not. On average it has raised your bill \$5-7, not bad considering you get 4-5 hrs. of entertainment. Drink Prices have been the same at our Lodge for years, yet the prices for the lodge to purchase them have gone up like everything else. Recently the lodge members approved a \$.25 per drink increase. This will help us maintain the cost of goods sold level, as well as allow us to have more flexibility in activities for you as well as the community. Because of the drink prices raising I have suggested that we only raise the drink pricing by \$.25 during event/entertainment hours and have a 3-6pm \$.25 off Happy Hour every day. Which was also approved by the members at the meeting. I am hoping those whose feathers were ruffled understand that we are all here for one purpose and one purpose only, to let our lodge prosper for years to come so 30 years from now our kids have a lodge to go to.

Thank you for coming out and supporting the lodge!

In the name of Elkdom,
 Chuck Pankey
