DESCRIPTION: The phenolic ("high compression bow flex") Wing Thunderbird is one of the all-time great bows. This aptly named "black beauty" is a great looking and performing recurve. Phenolic riser. Bow has no delamination; no cracks; limbs are straight. Beveled arrow shelf. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No crazing or cracks; two filled stress lines in the riser fade-outs overlapping the factory installed quiver inserts (see pics). A few minor scratches and blemishes here and there. Overall, this is a really nice bow in excellent condition for its age. This bow sold for \$95 in 70, which translates to \$672 in 2021 inflation adjusted dollars.

COMES WITH A NEW STRING.
