- May 24- Wesleyan Last Day
- May 27- Sprouts CLOSED for Memorial Day
- May 31- Phoenix Last Day
- June 3- First Day of Camp (preweek)

Teacher Appreciation Week

May 6th-11th

We are always so proud of the hard work that our kiddos put in each day, but this week, it is time to recognize the hard work that our teachers do. Some time this week you could drop them a little note, a yummy treat or just give them a hug to say thanks. Check out our teacher favorites page attached to this email for other ideas. ❤️

THIS MONTH IN *Ms. Kia's* CLASS

Prekindergarten

Hiiiiii, Sprouts Families!

April showers bring May flowers!!! The flowers are blooming and we have beautiful days ahead so I can not wait to have some spring fun. We will be learning lots of fun facts about a variety of flowers and even insects too. I have activities planned like naming sunflowers, playdough gardens, counting seeds, measuring insects, and even building crazy bugs. I also have many crafts involving ladybug hats and practicing our cutting skills by making paper flowers. Though our school year is coming to an end I can't wait to spend our last few weeks mastering skills and preparing for kindergarten. Let's have a Marvelous May and continue growing!!!

Kinder and First Grade

Hello Parents!

Happy May!

I'm excited to spring into the month of May!! The K-1 Class will participate in fun money counting activities to get more familiar with the different denominations of money and how it is used in the real world. We will also continue our reading comprehension checks, and sight word activities.

We had so much fun with all of our April Egg activities that I wanted to do something special for May. So I am really looking forward to making super cute gifts for all moms, or other special people in my kiddos lives, in celebration of Mother's Day!

Feel free to contact me with any questions!

Second and Third Grade

Howdy Sprouties!!

Happy May! I cannot believe this school year is almost over! We have had so much fun here at Sprouts this year, but I'm SO EXCITED for summer!!!

We had lots of fun in our class during the month of April. Before spring break, our class hosted The Great Bunny Olympics! We had different challenges like pin the tail on the bunny, an egg roll, and the bunny tail drop! It was so much fun!

This month, we are going to be doing some super fun projects to wind down the year and let out some testing stress!

I hope everyone had a super fun and safe spring break and I'm so excited to have everyone back at Sprouts for May!

If you have any questions or concerns, don't be afraid to reach out!

THIS MONTH IN *Mrs. Ciera's* CLASS

Third and Fourth Grade

Hey, hi, hello!

Welcome back families, and welcome to May! Wow, time really flies! I hope that everyone enjoyed their spring break and got to relax and have some fun. We are back in business at Sprouts and our class has hit the ground running! Our class has been doing a fantastic job at being responsible citizens, which is always tricky this time of the year. Our tally mark system has been going really well and the kids have been quite successful with it! We have also been experimenting with the concept of free seating, where the kids get to choose the seat that they believe they will perform best in. The kids love this and it has been an unintentional motivator to practice better behavior in order to keep their freedoms.

We will continue to focus on completing homework successfully, but will also start to prepare for End of Grade Testing. We will work on testing strategies and keeping calm and relaxed while testing. I know that our class will rock the EOGs!!!

As always, if you have any questions, comments, or concerns feel free to contact me.

THIS MONTH IN *Mrs. Morgan's* CLASS

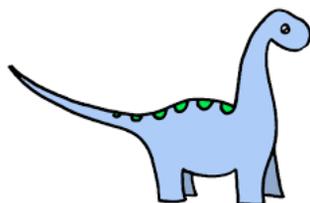

Fifth Grade

Hi there,

I hope everyone is enjoying the beautiful spring weather! Our 5th grade class is very excited to get outside; So much so, that in the month of May, we will be utilizing our beautiful outdoor classroom at Sprouts to have class outside for one afternoon each week as an incentive for excellent behavior! We've tried this a couple of times already and the kiddos are LOVING it and doing a fantastic job. We'll hopefully be helping to plant the Sprouts garden this month, and we will continue to get all our homework, projects, and reading goals completed. Sadly, this month means the end of the school year is coming soon; It will be bittersweet to see these precious students off to MIDDLE SCHOOL (Can you believe it?!), but I feel very strongly that they are prepared and have an amazing support system not only between each other, but at home and at Sprouts as well. As always, please feel free to contact me with any questions or concerns, and Thank you for allowing me to teach the best fifth graders in the whole world!!
