

Flying Cloud Field Snack Shack 2015

Schedule Sign Up and Substitution:

Check your calendar for any conflicts **BEFORE** signing up for a shift!

1. Send an email to Troop695snackshack@yahoo.com during the schedule signup period. You will receive an email response confirming your shifts.
2. If you are unable to work a scheduled shift time, you are responsible for finding a replacement to cover your shift. One good way to find a replacement is to send out an e-mail to the troop.

Bad Weather Conditions:

The Soccer and Baseball fields can be closed due to weather conditions, especially in the spring. The fields and games can be canceled by the Eden Prairie City, Soccer Association or Referees on the fields. Games will still be played if there is light rain.

- Eden Prairie City: The city will close the fields if the conditions are so wet that play can cause damage to them. Call 952-949-8449 and select 9 to check if fields are open.
- Soccer Association: If weather forecasts indicate that there will be bad weather during scheduled games the Soccer Association or Baseball Association may cancel games ahead of time. If we hear of cancellations we will try and send out a notification to the troop or those scheduled to work.
- Referees: When games are in process, games are canceled if there is any thunder, lightning or heavy rain. On Saturdays, games may resume if the bad weather passes.
