Chaplain's Message

Forgiveness

I've been reading a book about Christians suffering at the hands of radical Islamists. I was startled to read the many instances of the one persecuted or the family members of those martyred for their faith in Jesus who seemed to so easily forgive those who had caused the pain. I understood those who wanted vengeance immediately, but I was pleased that they eventually allowed God to soften their hearts to be able to genuinely forgive.

I Corinthians 13:4-8 says, "Love is patient . . . kind . . . not resentful . . . bears all things." Love is an Action. Love is a Choice. Humans don't just forgive naturally; therefore, we need to do what is "super natural" through the power of the Holy Spirit. How easy it is to become offended at the smallest infraction of our rights, but what if WE were really faced with possible martyrdom? While we as Christians can enjoy the freedoms provided to us as Americans, we must remember to live a life of loving, forgiving, and long suffering toward others as we strive to be more Christ-like.

The stories of those Christians suffering have shown that in the face of man's worst behavior, forgiveness through a strong faith in Jesus has made an impact upon the lives of the persecutors, often resulting with them and others turning to faith in Christ.

As we see how God has worked in these very difficult situations, our responses to those who wrong us even in small ways should be no less than truly loving and forgiving. God helps us to be more Christ-like daily, as we pray for His virtues to show through us. And yes, we will be happier and healthier for it.

President's Message

Saturday, May 21st, started early with a 6:00 am setup at Texas Motor Speedway for the Lone Star Corvette Club Classic. Thanks to **Bobby Stout** for coordinating this event and all the Club members who went early to setup and those who came to tear down.

Then it was off in a hurried scramble to get to BISD Athletic Complex to setup at 4:30 pm for our CCC May Car Show - "Honoring our Military Heroes". All active and retired veterans got free entry to the show. We were blessed with good weather and had 242 cars! Almost 100% of our Club members wore their burgundy club shirts. We will try again to reach our goal at the next CCC show. Our June show theme is "Father's Day". Also June marks the summer show time change. June, July, and August shows will begin at 6:00 pm and end at 9:30 pm.

Our next big Club event will be the Streetside Classics Car Show on June 4th. **TK Kinnan** will be coordinating this event and I will have the Club trailer there at 8:00 am for setup.

Our Club is growing. We had 5 prospective new members at the May Club Meeting!

We hope everyone had a great Memorial Day Weekend and always remember those who have given so much for our freedom.

THE CORT REA SCHOOL OF OFFENSIVE DRIVING

The story must first begin with the history behind the origin of the "Cort Rea School of Offensive Driving". While taking turns driving from Fort Worth to Dallas on Sunday afternoons to play tennis, Cort and his friend Wes would also take turns belittling each other's driving habits. Wes could easily become the road rage poster boy with only minor provocation from other drivers, and Cort did little to help Wes contain his emotions, sometimes even pointing out other drivers' infractions that Wes had managed to overlook. Wes on the other hand, was quick to point out any of Cort's driving habits that he deemed illegal or unsafe. After numerous references to the same offenses, Wes decided to publish the official "Cort Rea School of Offensive Driving Handbook", citing each reason or excuse Cort had given in response to Wes' protest.

BASIC PRINCIPLES OF THE CORT REA SCHOOL OF OFFENSIVE DRIVING

1. Turn signals are a sign of weakness.
2. Anything beyond your peripheral vision is not your problem.
3. If you can gain 1 car length by changing lanes do it.
4. If a stop sign is within 1 mile of your house and it didn't used to be there, you don't have to stop at it.
5. The only reason you stop at a red light is if there is something in your way.
6. Never change to the proper lane until the last possible moment.
7. The only reason there is the area between idle and full throttle on your gas pedal is to get to full throttle.

Anyone having participated in, or agreeing to in theory to at least 5 of the above principles is qualified to be an instructor at the "Cort Rea School of Offensive Driving". You must be 18 years of age to be an instructor (it takes at least 2 years of driving experience to hone these driving skills to their proper level). Send applications to:

HOT ROD POWER TOUR June 11 – 17,
2016 Registration is open online at Hotrod.com

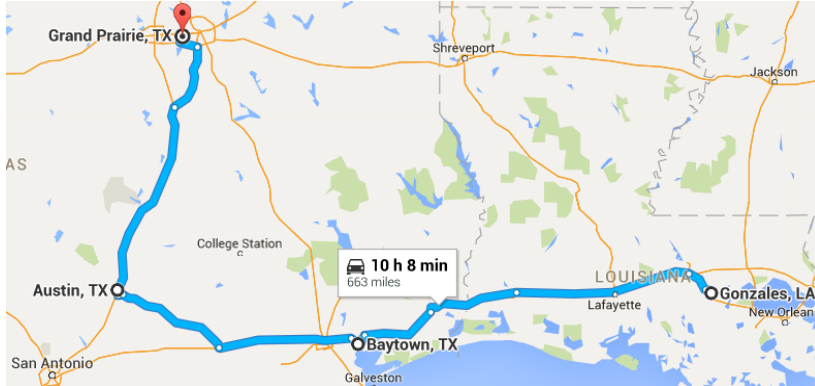

Hi Folks,

I noticed a mention in the CCC newsletter about the Hot Rod Power Tour (June 11-17) and thought I'd see if anyone was interested in going as a group. Here are the dates & cities:

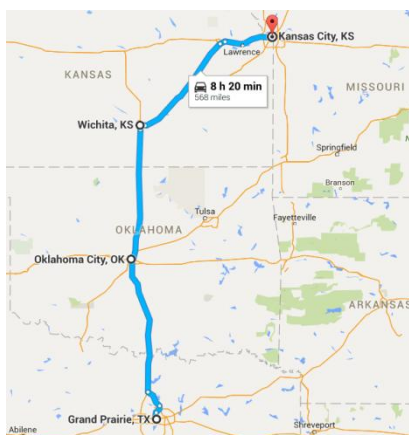

June 11 - Lamar Dixon Expo Center, Gonzales, LA
June 12 - Royal Purple Raceway, Baytown, TX
June 13 - Circuit of the Americas, Austin, TX
June 14 - Traders Village, Grand Prairie, TX
June 15 - Remington Park, Oklahoma City, OK
June 16 - Kansas Pavilion, Wichita, KS
June 17 - Kansas Speedway, Kansas City, KS

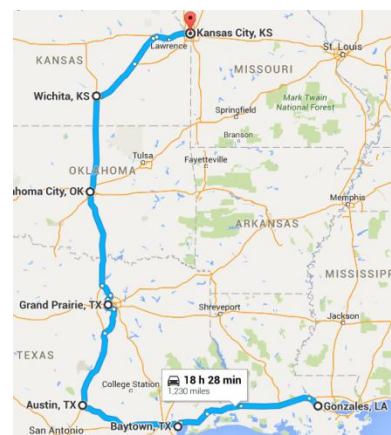

Since it goes through DFW mid week, we could do just the 1st half of the route

Or start in the middle and drive the 2nd half only.

Or for the "long haul", the entire route.

Please let me know if you have an interest in going with as a group and doing some or all of the 2016 Hot Rod Power Tour. We can start planning now and be ready by June.

Thanks,

Dan Helfer
