

Heartland Pets in the Millcreek Mall in Erie, PA sources their puppies from puppy mills. Some mills are “USDA certified” and some aren’t. Even those mills that ARE USDA certified follow lax, poorly enforced guidelines. If you have ever loved a dog, you’d agree that the way puppy mill dogs are kept for breeding is cruel.

24

This is the 24th “breeder” that we’ve found Heartland using. *Yet they sell puppies by saying, “We use a handful of trusted breeders!”*

The puppy mill industry is a supply and demand industry.

You cannot RESCUE a puppy from a pet store. Your intentions are good, but your actions fund animal cruelty. Each time a puppy is purchased at Heartland Pets, the parents of that pup are left to suffer. Please join us in putting an end to this cruel industry in our town.

The chart below is taken from www.prisonersofgreed.com. It is a list of puppy millers from 2006. This particular evidence is too old for me to use the public access records to figure out what type of violations or how many dogs this breeder had.
