

THE AGE OF PENTECOST

The purpose of this illustration is to prophetically chart the Christian Church Age dispensationally and correlate it with the 7 main Jewish Feast -superimposed on the Menorah. An emphasis will be given to the center 'Servant' Stem of the Menorah that corresponds to the 'Age of Pentecost'. It is a bracketed time period in-between the 1st and 2nd part of the Jewish Menorah related to the Biblical Prophecy; Past, Present & Future. Christ literally fulfilled the first 3 Feasts before ascending into Heaven. Christ is finishing the current "Age of Pentecost" -Grace through the work and indwelling of the Holy Spirit. He will literally fulfill the LAST 3 Feasts after completing Daniel's 7th week at His return. The Dispensation of Grace is about to close as the LORD will focus on His Promise to fulfill Daniel 9's last 7th Week with national Israel and revert back to 'Law'-going on into the Millennial Reign of Christ.

The Age of Grace is a "Mystery" time set apart by a beginning and ending of Pentecost that many Jewish Prophets of old inquired about and had little understanding until the Apostle Paul. The Jewish Menorah mirrors the 7 Major Feasts of Israel and its center "Servant" stem is projected onto the current Church Age. The present age and divine economy since Christ has been the "Feast of Pentecost for over 1940 years now. Pentecost was a feast of harvesting the first fruits of the Wheat and harvest of the Barley. Is the Son of God, Christ Jesus getting the Church Age Believers ready for the soon Great Harvest before He fulfills the last 3 prophetic Jewish Feasts?
