

Langhorne Council for the Arts

September 1, 2021

Dear Friends, Neighbors, and Supporters of the Arts,

Since 1992, Langhorne Council for the Arts has worked to enrich our community through experiences in the visual and performing arts. LCA also supports talented students in grades 6-11 who have a passion in art, music, theater, dance, writing, and wood- and metal-working through the LCA Student Scholarship program. Funds for scholarships come from membership dues and proceeds from ticketed events.

The pandemic severely limited LCA events for the past year and a half, so we are really excited to be out in the community again! In addition to participating in the Multicultural Celebration, Rotary Pet Fair, and Olde Harvest Day, here's a list of upcoming LCA activities you won't want to miss:

- **The LCA Banner Project** – 20 banners honoring people, places, and events that shaped Langhorne's history are up on Pine Street and Maple and Bellevue Avenues for your enjoyment and edification as you walk around town. These banners and links to more information are also posted on our website. **A walking tour brochure is now available at various businesses around town.** LCA gratefully acknowledges the residents, organizations, and businesses that made this project possible.
- **MARK THE DATE: Sat, Sept 25 (rain date Sept 26) – A Celebration of the Arts**
 - In the Morning: **LCA's Second Annual Sidewalk Chalk Walk**
 - In the Afternoon: **LCA's First Annual Porch Fest**
 - See the enclosed flyer or visit www.LanghorneArts.org for details
- **COMING THIS WINTER** – the Langhorne Buildings Puzzle went over so well last year that we are planning a new puzzle that will really rock your world! Stay tuned for details.
- **MARK THE DATE: Saturday, April 23, 2022 (rain date April 24) – Edward Hicks Day**
 - LCA is planning a full day of activities for all ages to celebrate Langhorne's favorite son, primitive artist Edward Hicks. Residents, businesses, and community groups are invited to get involved of the planning of this community-wide event. We need your ideas to make this a great success! Please email LanghorneArtsEvents@gmail.com to express interest in attending a planning meeting in October. All ideas are welcomed!!

The 2021 Membership form is enclosed. We hope you will join us in keeping Langhorne a vibrant, creative community! Your support is much appreciated.

Sincerely,

Pat Mervine

LCA Board President
