

Posting boxes

WHAT YOU NEED

A cardboard box with a hole cut out of it, that you can post pictures or objects through.

HOW TO PLAY

Lay all the objects out and ask the toddler “Which one shall we post?.” They need to tell you which one can be posted before it goes in.

If the toddler is pointing rather than using the words, give them a choice – “Shall we post the telephone or the cup?”

Make a big fuss when the object has been posted, “Look, it’s gone.” “We posted the cup.” This makes the game more fun.
