304. *The end of morality is the decline of virtual integrity.*
305. *The purpose of true morality is to uplift, not only the value of one's given life, but to maintain the integrity of our **future** existence.*
306. ***Beauty** is also outside the eye of the beholder. "Beauty" is to behold!*
307. *How can you reach for the stars when you have no ground to stand on?*
308. *Finding **Him** is the Promise.
Knowing **Him** is your Reward.
Rebirth is our **Ultimate Victory!***
309. *You're either living or your dead. ..There's no "life-style" in-between.*
310. *Obedience out of respect for a posed "threat" ..is intimidation.. ..or fear of punishment.
Obedience enhanced by **soulful redemption..** is by "**the love**" of a relationship.*
311. *You can't change the world. ..Only defend yourself and influence people.*
312. *If we are but a **shadow** of his existence....how can we reflect his love?*
313. *Fallen man is not made "in" His image.. as much as he was born "of" corruption.*
314. *Religiosity is culture's spiritual mud pie.*
315. *Being virtuous is being open-hearted with a purpose --in the face of adversity.*
316. *Comfort is that "happy" union of freedom and security.*
317. *Speaking truthfully about a specific fact **projects** a need for discernment.
Speaking **Truth** for the sake of **Hope..** ...insures the **Greater Good!***
318. *"Heart-thoughts" without **Truth** are just "dead-beats" of sentiment.*
319. *Facts are not subservient to scripture.*
320. *We are all born in fear --without a heart of understanding*
321. *Innocence is not righteousness.*

322. *When Satan led created man to condemnation, he unwittingly cursed himself as well..
...due to the fact that, he too, was also **created**.*
323. *Did **Yahshua's** death pay for our sins as much as it consumes our lives? ? ?*
324. *His resurrection provided our new life (**to be**)..
..and finalized death in the world to come.*
325. *You cannot "believe" yourself into knowing..
..even though you may "know" what you believe.*
326. *I made my mouth a brush. ..to paint the world with words.*
327. *Perception comes from the heart. ..But conception is what enters into it.*
328. ***Truth is the Voice of Reality.. ..the Eye of Understanding.. – and our Hand of Destiny.***
329. ***Absolute Righteousness** is a truth virus that overwhelms our selfish spirit;
enters our soul; then "tempers" the heart with perfect o b e d i e n c e.*
330. *If you spend time regretting your mistakes, you'll need time to "afford it".
So earn time by starting something new,
or you will waste time while trying to "hoard it".*
331. *The best way to get over fear of the unknown is to understand the "unseen".*
332. *Don't forget.. ..Satan also says.. "**I am that I am**": ---the great plagiarist!*
333. *With **sin** --It's either immoral or insane.*
334. *Trinity is not a mystery --It's a perversion.*
335. ***If our minds are so great, why does death always out-do our greatest desire for life?***
336. *Our spirit is **from** Him; not of Him.*
337. *You can't buy eternal life. ..But it's evident they sure can sell it!*
338. *Being **technical** is just being precise....after the fact.*
339. *Conveyer belt faith is "twisted".*
340. *Sin is manifested in the body. --Guilt is manifested **-through-** it.*

341. *The greatest virtue of Divine Love is Truth.*
342. *Being perfectly nice is never near as good as being perfectly right.*
343. *Truth is the revelation of absolute worth.*
344. *If you're not holding on to Truth, you're grasping shadows.*
345. *Advanced Eternal Directive. Find it.. NOW!*
346. *Better to alienate while speaking the Truth.. than to compromise by telling a lie.*
347. *You can't "assimilate" salvation.*
348. *The liberal's mind feeds off imaginary morality.*
349. *Life still goes on after money is gone.*
350. *Wealth is left behind, but the Value of **Truth & Hope** will always move far ahead!*
351. *The power of the **Most High** should not be established on a consensus of belief,
..but via **Divine Authority**.. ..set between **Man and Human will**.*
352. *Truth is more than just a **Subject**. It's a **Verb** followed by a **Predicate**.*
353. *If you believe in the **trinity**, the holy spirit is part of a "crowd" ...a "plurality"
..a "triune corporation" ..an "amalgamation". ..etc...*
354. ***Your** conscience does not establish my reality. ..It only interprets it.*
355. ***Moraphobia**: fearing the authority, values and virtue of a Conscience greater than your own. ---fears a consistent, sanctified, universal standard of moral accountability.*
356. ***Humiliphobia**: fearing the absolute will of a greater, more affective Authority.*
357. ***Morality**: The underlying basis of an action/code/standard or creed that defines and qualifies the virtue of one's life and existence.
--The "righteous justification" of a mind greater than your own.
--Morality is the fixed standard of what's "RIGHT" **beyond** "self" and cultural ideology.*
358. *One's **existence** creates the makeup of their conscience. One's conscience **interprets** that reality. --It does not, nor cannot establish it.*

359. Faith **must** extend beyond church doctrine and human emotion to be legitimate. It must abide by the gracious fact of Yahshua's personal atonement, and be rooted in a justifiable innovative everlasting hope.

360. If the thing you call "Truth" in your life doesn't provide an abiding eternal hope.. all you really have is ideology; philosophy; opinion ..or worse: crass delusional thinking.

361. **Heterophobia:** fear and loathing of the opposite sex.

362. The wealth of wisdom exceeds the greatest coin value.
"A rich man's wealth is his only blessing. A poor man's poverty is his only curse."
Proverbs 10:15

363. ...not just fake news... but phony morality.

364. Rights; freedoms and liberties are not moral standards. They are rooted in **ideology**.

365. Don't want to die a tortured death, but don't want to live a tortured life. -
-Yah will provide.
I've come this far via faith.
Thus... I cannot recant, nor regret the virtue of my mission
and expect to accomplish the greater good and goals of my life
-and His will.

366. **Liberalism** ultimately makes personal freedom a curse. (just the opposite of their claim)
It erodes the need for integrity.
It voids all established creeds, while cursing the root value,
consistency and standard "base line" virtue of **morality** itself.
It claims human rights as a universal moral distinction used strictly for indoctrination
and cultural servitude. Simply put...
"Their conscience is their empire."

367. Who made illegal immigrants saints? Who made US citizens saps? --Liberalism did.

368. "A nation of Immigrants" is still secondary to the means, source and "consent" of independence and autonomy that founded this great country.
---the **"anti-dependency" of our US Constitution.**

369. "Common Sense" is not a creed.

370. **Your sentiments may share my conscience, ..but your beliefs never will.**

371. If I doubt the virtues of my personal faith, my sentiments will overpower me.
Mankind needs a common creed, not more "shirtsleeve" love and emotion-filled alter calls.

372. *"Moral Rights" are universal values sustained by a greater model or standard of accountability, which, in unison, governs one's beliefs and personal bearing.
–it's a standard of what's "good" above and beyond the singular heart of man, and the subjective core values of the individual.*
373. *"Social Conscience" saves no one. It overloads the masses with counterfeit causes and starves the individual of his personal salience.*
374. *If he loves us unconditionally why should hell exist?*
375. *Eternal Love is only the Frosting on the cake of salvation. –not the dough.
The "cake" of salvation is Truth & Hope.*
376. *He helped us by what we don't deserve, so we can help him (and ourselves)
..by what HE deserves.*
377. *Amplify the still small Voice.*
378. *–a Morality beyond myself (Holy Law; 10 Com)
--a Mind beyond myself (Abba-Yah)
--a Sinless Spirit living within that's greater than me (Yah-Oshua)
--a Hope bigger than what's just inside me (Yahshua's Atonement & Ressurrection!)*
379. ***My Spirit floats on an Ocean of Light.
My body is bound in darkness.
My Mind and Soul strive for unity.
My Heart cries out to YAH-WHA.
My Conscience hears His Voice!***
380. *The bigger the government the smaller the person.*
381. *Can't "philosophize" faith. True faith is a Rock to stand on –not just a cozy concept.*
382. *The war is not against Satan alone, but of the treachery of one's own heart.*
383. *I searched for "G-O-D". --I found just the opposite.*
384. *"Feeling" is the bridge between what's hoped for and what's prayed for.*
385. ***6 Oppressive Journeys in Life:***
Poverty (material sentiment; self-erosion)
Illness (carnal pestilence)
Despair (hopelessness; soulful absence)

Self-love (narcissism/sociopathic desensitization)
Evil (nihilism; deceit)
Obsession (diverting subversive behavior; **sin**)

386. A million options for what's just and good..
..only one that isn't: Love for ultra-conditional "Self".
387. Nothing **good** ever happens for no reason at all.
--Yet, Nothing **bad** ever happens by pure accident, or chance reason ---except ignorance.
It's the only advantage we take of time for a poor, no-good, lame excuse.
388. If your philosophy isn't fail proof... if it's neither Right, nor True.
389. The biggest issues in life are over "heart" things, ...but **never cured by them**.
---Only through **Yahshua's** atoning Power of **Circumspect Truth** can Life, again, be made Right and Whole.
390. Life sucks! Make the most of it without coughing, choking or spitting!
391. "Politically Correct" is Morally Inept.
392. When it comes to Competent Faith, there are no mistakes.. ..only perfect solutions.
393. **Life is too short to be easy, but long enough to get right!**
394. **TRUTH..** is the **Sanctity** of Life, the **Mother** of Hope, and the **Guardian** of Time.
395. **TRUTH..** is the **Voice** of Reason; the **Eye** of Understanding; and our **Hand** of Destiny
396. Truth is the Abiding Ideology of Infinite Hope.
397. Four Components of Infinite Worth: **Virtue - Truth - Morality - Time**.
398. Better to Start with the Truth, ..than to pray for a miracle.
399. Find Redeeming Truth before the door shuts.. --and locks.
400. We are born into -both- **a moral & mortal debt..**
that money & love can never atone for.
401. The Value of Truth will always surpass the "worth" of money.
402. The current of Truth & Hope is always stronger than the "currency" of wealth & fame.

403. *"Love" is anything **worth having** that's Right,
..and anything **worth giving** that makes a difference!*
404. *If you live your life dying for Truth, you won't kill yourself living a lie!*
405. *Think with your heart and you won't miss a beat!*
406. *Obviously, the only way to save your soul is to bare the Truth.*
407. *The best food for thought is fed through the heart.*
408. *Feed your heart. --Grow your mind!*
409. *You can't cut to the chase with a '2-faced' butter knife.*
410. *Defend what's right with a 2-edged sword --not a '2-faced' butter-knife.*
411. *Without **Hope** and **Truth** human love is just useless "spent" affection.*
412. *Feminism is Liberalism's "Alpha Male".*
413. *A nation of **illegal** immigrants eventually becomes a quagmire
of economic social dependency.*
414. *Liberalism: "subjective subjugation of the mind"*
415. *"Atheism" is just another way of becoming a different kind of idiot.*
416. *If you believe in hell... you deserve it.*
417. *TRUTH: the Grand Equalizer*
418. *Two Graces:
A) the One that sustains Life
B) the Other which saves the Soul.*
419. *All of Life is a Testament to Something Better.*
420. *If you can't define love, please don't use it in a sentence!
Don't pedophiles have their version love too???
As I said before...personal OR universal Conscience does not, NOR WILL IT EVER
establish someone ELSE'S sense of reality or morality.
--It only interprets it!!! (accurately or inaccurately, at will)*

*If one has no living creed, nor moral code, one's conscience has no justification for action
..Thus.. If I don't live up to YOUR, or the WORLD'S eternal "love code"
are you going to destroy me? ..or berate me? ..or indict me?*

--That's socialistic liberalism = fascism.

*Apodictic Morality is the underlying basis of action/creed/code/standard/ or value
that defines and qualifies the virtue of one's life and existence. ('being')*

"Love Ideology" is always a dream --not an achievement.

One can dream of perfect love, or a "perfect world" of sharing all you want.

--The end will always elude you or disappoint you.

421. *Redemption is underscored by committing one's life to a higher cause and value..
..then one's own personal interest*

422. *The greatest wealth of wisdom is understanding the hidden curse of materialism..
..and the quiet deferred blessing of a life lived without it.*

423. *The greatest curse -AND- blessing of knowledge is knowing..
..what's behind all three doors.*

424. *Truth: any sustaining factor that confirms **every** justifiable virtue in life.*

425. ***Truth is the only Eternal Gospel!***
