Club Captain's Report:

Wind-up format will be the usual 4 man scramble, if we have uneven numbers. However if we have all 4 man groups (no threesomes) we will play 2 X two-man scramble teams in each foursome. Players A and B will drive, choose their best drive and scramble into the hole. The score for each hole goes next to the player whose drive was taken. Players C and D will do exactly the same. At the end of the round Team A and B total gets added to Team C and D total. (ie. $74 + 75 = 149$). This is not matchplay, not stableford, not complicated. Each player must use 7 drives, with 4 wild drives.

Moved to accept: Paul Kelly seconded Barry Elliott.
