

The Village of Gnadenhutten

Utility Superintendent

Class I Water, Class II Waste Water Utility Superintendent Rate of pay: \$17 to \$24/hr. dependent on qualifications. The Village of Gnadenhutten is currently taking resumes for a Utility Superintendent. This is great opportunity for the right candidate to step into a leadership position. The successful candidate serves as Water Treatment Plant and Waste Water Treatment Plant Superintendent and Operator of Record for both facilities. Completes EPA mandated data collection, reporting and testing for the Water Treatment Plant and Wastewater Treatment Plant. LICENSE REQUIREMENTS: Possess a Class I Water Treatment license; Class II Wastewater Treatment license. State of Ohio valid driver's license.
