Dear Parents and Carers

There have been a number of incidents locally over the past few weeks where inappropriate approaches have been made by adults to young people; these details have been shared by the Chronicle and Echo. This is obviously something that we all take very seriously and we want to do everything we can to make sure that all of our children are able to travel safely to and from school, and at any time when they are in public places.

We will be emphasising the importance of personal safety to all of our pupils but also it is worth, as parents, speaking with your children about taking precautions at all times, but especially after dark. If your child attends an after school club but walks home afterwards please consider collecting them or ensuring they are walking in pairs or small groups.

We will remain vigilant to any suspicious activity and we ask that you do the same. If you have any concerns or queries please feel free to contact us or, in the case of an incident, the police directly.

Many thanks

Sam Phillips  
Headteacher
