Loving, educating, helping and giving hope.

January/February 2022

*All that the friends of Christ did for him in his lifetime, we can do.
Peter's mother-in-law hastened to cook a meal for him,
and if anything in the Gospels can be inferred, it surely is that
she gave the very best she had, with no thought of extravagance.
Matthew made a feast for him, inviting the whole town, so that the house was in an uproar of enjoyment,
and the straitlaced Pharisees -the good people- were scandalized.

First Baby of 2022

Sweet "P" was born on Valentine's Day to parents who never missed an appointment at DPC! She will be surrounded by a family who is thrilled about her birth and excited to introduce her. Her mama even survived a bout with COVID in the process!

Dear one, may you always have an awareness that you were created by God, who created you in Their image. Your birth is not a mistake. Your life is a gift. God is beside you wherever you go.

The shutdown of services in 2020 highlighted the need for DPC to update its educational program and move classes to an online format. This is an ongoing process as we negotiate with already existing online programs for labor and delivery classes, breastfeeding instruction, infant care as well as researching applicable YouTube instruction formats. Below is an example of one YouTube video that is used during the first visit of a client. It never ceases to produce a "wow."

Take a look - 3 minutes!
