

Garnett Industrial Airport Advisory Board

Minutes of Meeting

Dec 11, 2020

I. Call to Order - Roll Call

The Garnett Industrial Airport Advisory Board met on December 11, 2020 at the Garnett airport FBO. Members present in the FBO were: Gordon Blackie, Charles Allen, board members, and Pat Schettler, Airport Manager. A quorum wasn't present, so we had an informal discussion. Tom Horstick came in soon after and we discussed the points made during the informal meeting.

II. Minutes

The October minutes were discussed.

III. Old Business

- A. Pat discussed the apron project. We are entering into the final phase of the fueling apron project. All of the asphalt and concrete work has been completed. Sodding, cleaning and painting is the major stuff left.
- B. The tie down issue was tabled.
- C. The AirFair was tabled.

IV. New Business

- A. Pat asked the members present their feelings on the airport road placement on the Airport Master Plan. We informally discussed the options available and the way to move forward to finish the Master Plan. We are planning a public meeting with the affected landowners to discuss options.
- B. Pat asked if board members have ideas to make the airport better, please don't hesitate to bring those to the board.

VI. Manager's Report

We didn't discuss the Manager's report..

VII. Adjournment

The informal meeting adjourned at 4:42 p.m.
