

Greater Columbia BH-ASO

Regional FAMILY YOUTH SYSTEM PARTNER ROUND TABLE (FYSPRT) Charter

Regional FYSPRT Purpose/Goals

- Improving quality of life for youth and families by reviewing statewide performance data and making recommendations through collaborative engagement of youth, families and system partners.
- To support system improvements by enhancing strengths and eliciting challenges and barriers from the local FYSPRTs and community partners to develop collective recommendations to share with Statewide FYSPRT members and the Children's Behavioral Health Executive Leadership Team that include youth, family and system partner voice.

Primary Functions

- The primary function of the Regional FYSPRT is to provide an equitable forum where youth, family, and system partners can work on identifying local needs, reviewing local and regional data, and problem solve issues at the local and regional levels regarding Children's Systems of Care (SOC).
- The Regional FYSPRT will gather information on, and recommend strategies to provide behavioral health services and supports for children and youth as well as monitor and review both process and outcome indicators.
- The Regional FYSPRT is committed to Children's System of Care values which are:
 - 1) Family driven and youth guided
 - 2) Cultural and linguistically appropriate
 - 3) Community based
- The Regional FYSPRT shall bring unresolved needs to the Statewide FYSPRT and also present desired solutions and outcomes.
- Regional FYSPRT members support the six goals of the Washington State SOC including:
 - 1) Infuse SOC values in all child-serving systems.
 - 2) Expand and sustain effective leadership roles for families, youth, and system partners.
 - 3) Establish an appropriate array of services and resources statewide, including home-and community-based services.
 - 4) Develop and strengthen a workforce that will operationalize SOC values.
 - 5) Build a strong data management system to inform decision-making and track outcomes.
 - 6) Develop sustainable financing and align funding to ensure services are seamless for children, youth and families.

Authority

- The Regional FYSPRT operates with the support of Greater Columbia BH-ASO, MCOs, youth and families, system partners, behavioral health providers, and the WA State Health Care Authority.
