Please answer all relevant questions below.

Are you 18 years of age or older? *

When is a good time to reach you by phone?

What is the name of the dog or what type of dog you are interested in adopting? *

Why are you interested in this particular dog or type of dog? *

What do you know about this breed or type of dog? *

Why do you feel that this breed or type of dog is right for you? *

Adding a pet is a long-term commitment, and we are hopeful that the dog you are interested in adopting will be in it the rest of his or her life. Many dogs live to be 10-15 years old. Thinking about your long-term plans (e.g. school, child travel, work, moving, etc.) how would this particular dog fit into your lifestyle? *

If you own your home, which company provides your homeowner's insurance? Does your policy permit this breed or t

If you rent or are a part of a housing association, please describe the facility (townhouse, apartment, duplex, etc.). Are there any breed restrictions? Is there a size limit to the pets permitted or a limit to the number of pets? *

How many adults and how many children are in your home? Please note the ages of any children. *

Are any members of your household allergic to cats or dogs? If so, please explain. *

Who will be primarily responsible for this dog? Does everyone in your home want a dog? Why or why not? *

How many cats, dogs and other pets are in your home? If you have dogs, list the breed or mix of breeds, gender, age, spayed/neutered. *

Tell us about your pets. What do you like most about them? Do you have any problems with any of them? What are yo

Tell us about the pets you have had in the past. What happened to them? What did you like most about them? Did you with any of them? What did you do about it? *

Where will this dog spend most of its time when you are home? Where will this dog be when you are away from home? Where will the dog be when you are sleeping? *

How many hours of the day will the dog be left alone? What is your usual schedule? *

How do you plan to keep the dog on your property? How do you plan to exercise the dog? *

If you adopt a puppy or a dog that is not housetrained, how do you plan to train your dog? *

What activities do you plan to do with your dog? *

Do you currently have a regular veterinarian? If so, what is the name of the clinic? *

Please provide any other information you think is important for us to consider. *
