

## Region 7 Report for April

Hello and hope everyone enjoyed their Easter Sunday, even though we are not having family get togethers this year!! Hope everyone is healthy and stays healthy!!

Well, due to this virus going around, we didn't have our April meeting and probably not going to have our May meeting either. The AWARENESS Ride and meeting at Chizzies on May 9<sup>th</sup> will be cancelled , too!! All depends on how things go and what happens with this CoVid-19 stuff!! Hopefully , we will be getting back to normal by the 23<sup>rd</sup> of May for our Dillinger Ride!! All depends on if Governor Whitless allows the bars to re-open by then!! Hopefully we'll be getting back to normal by then and we can have our Rest In Peace Ride on the 30<sup>th</sup>!! So, God willing we'll have it all behind us for the Freedom Rally and the Field Meet!! That's about all I can say right now because I've been off work and staying home away from everybody!!

If this is over with by the Field Meet, Let's make this the Biggest, Best Field Meet EVER!! Besides, it'll be good to get together and party with everybody, once this is done!! Until next month, Be Safe, Ride Safe, and God Bless!!

Tim
