CRUSADER COMMUNICATIONS

Another great (but short) week for SRM. Students are continuing STAR assessments until September 17th. STAR allows us to see where we are starting off the year in both math and reading and then as the year progresses, and students take more tests, we can gather data regarding the changes we see in learning. I walked around classrooms on Tuesday and teachers were so engaging in their lessons. I saw small learning groups taking place, numerous students answering questions, and camaraderie between students and teachers. So many great things happening!

As a principal, it is vital for me to build relationships with each family. Please reach out, come by the office, or call. I am always available via email or phone. If I am not physically in the office, Leti will send me messages and I will make sure I return your call.

I will add a note to SRM News each week, so you know what is happening in my office.

Principal Priority Items:

- Learning names and norms of school.
- Planning for Back to School Night on the 15th.
- Establish a part time VP. This should happen in the next week or so and I will announce via email. This person will support my office and be here when I cannot be.
- Looking over budget/EANS monies
- Reading WASC reports that teachers and admin wrote for our accreditation visit in October.
 - Our visit is scheduled for October 13-15
 - In a few weeks, Leti will send out a needs email. We will be providing 3 meals and snacks each day for the team. We will need help with this!
- Please look at the updated school calendar!

Volleyball:

Please keep in mind that if we do not have enough drivers to get the team to the schools, we will need to forfeit the game. Please contact Leti if you would like to be a parent volunteer driver.

Your child will need a pair of knee pads and a water bottle for practice and games. We will pass out the uniforms at our next practice.

hotlunch orders

Here are some important steps to follow if you want your child to eat a school lunch.

1. HESD included us in the free and reduced lunch program this year so all students may choose to eat a school lunch with no charge to you.
2. You choose when you want a hot lunch. **Teachers will take a daily lunch count in class each morning. If something comes up and you decide you need your child to have a lunch that day, you may call your order in to Leti Castaneda at 584-5218 by 8:30 a.m.**
3. Please send a note to your child's teacher (grades K – 4th especially) as we are beginning the year. Sometimes the younger students don't know if they are eating hot lunch or a lunch from home!
