June 26 – 30, 2023 8:30am to 6:00pm

LOCATION

Greater Naples Fire Rescue

Station 73
14575 Collier Blvd.
Naples, FL 34119

COST

\$220 per student

All course material provided to students.

COURSE CONTENT

This course is built for the fire investigator to enhance the ability to detect and determine the origin and cause of fires. Topics will include fire methodology, fire science and behavior patterns, building systems, origin and causes of fires, electricity and fires, motor vehicle and marine fires, and wildland fires. We will review case studies on fire investigations and students will conduct a fire investigation and come up with a cause on an actual case.

Course registration can be completed online at
