

St. José Sanchez Del Rio Catholic School

Welcomes You To

Seventh Grade

Congratulations on your successful completion of 6th grade! To help prepare you for seventh grade, and all the new and exciting learning coming your way, the school has prepared some fun reading and math ideas for the summer to keep you sharp as a tack!

Students are to read “a.k.a. Genius” by Marilee Hayes.

After reading the book, you are to complete the following assignment and be ready to turn it into your teacher the first week of school.

Please complete the following:

1. Find 20 new vocabulary words. List a definition, two synonyms, the part of speech, then write a sentence for each new word learned.
2. Choose one style of poetry you have learned. Using this style of poetry, create your own poem based on the book read. Try to incorporate as many new vocabulary words as possible.
