WE DECLARE A

PENNY WAR

March 17-28 & April 7-11

Please send in spare change with your child, especially pennies, so that everyone can play this fun game!

All money donated goes to the Sisters of Divine Providence Madagascar Mission fund to rebuild after natural disasters.

HOW IT WORKS

Each class has its own labeled jar. The goal is to collect as many PENNIES as possible in your class's jar, and put as many non-penny coins in everyone else's jars. Pennies give your team positive points, and all other coins/ bills take away from the total. Therefore, you want to put pennies in your class's jar and put other coins/bills in the other class's jars. The goal is for your class to have the most positive points at the end of the week.

POINTS:

- Pennies - 1 point
- Nickels = 5 points
- Dimes = 10 points
- Quarters = 25 points
- \$1 bill = 100 points
- \$5 bill = 500 points
- \$10 bill = 1,000 points
- \$20 bill = 2,000 points
