PermaPosts® / Perma Lamp Posts

The Square PermaPost® is made from low maintenance PVC and is pre-finished with a white capstock. HB&G's Colonial and Chamfered PermaPost® are made from a low maintenance polyethylene and are pre-finished

white. For a warm and inviting decorative look for your front porch, choose from either the 5" or 6" Colonial PermaPost®, the 5" Square PermaPost®, or the 6" Chamfered PermaPost®.

PermaPosts®

Perma Lamp Posts

The Perma Lamp Post is an attractive way to light a drive or garden area. The pipe in the center is designed to allow a wire to be easily installed. The 2 7/8" pipe fits most outdoor lamp fixtures. New pre-finished injection molded skirts will be available in the spring.

Porch-Loc™

- Adds wind uplift resistance
- Porch-Loc™ secures structural Colonial and Square PermaPost® to floor and beam/header
- Easy installation
- Durable skirts included

PermaPorch® Railing

NON-STOCK
SPECIAL ORDER ITEM

(items are approximate scale only)

The PermaPorch® Railing system is a beautiful way to tie your whole porch look together. It is made up of several different components, allowing you the ability to create the designs that match your way of life. Easy to install, this

worry free railing system will be a beautiful, low maintenance addition to your porch or deck for generations to come. Be sure to use the coastal newel in areas where coastal effect corrosion is a concern.

Porch Railing

Deck Railing

All rail sections suitable with columns (as shown) or PermaPost®
* Top Rail Section must be installed on site.

Pre-Built PermaPorch® Railing

Pre-Built PermaPorch® Railing is available in a variety of styles to match your porch and deck design. The top and bottom rails are made of pre-finished weather resistant cellular PVC with aluminum inserts.

• HB&G recommends checking all building codes before the design and installation of your PermaPorch® Railing.
