

JUDGEMENTAL PISTOL SHOOTING, MARKSMANSHIP & USE OF FORCE LAW

ADVANCED LEVEL COURSE

COURSE TIME: 4 HOURS

COST: \$99 / PERSON

Available upon request, this class is designed to satisfy required training for local school jurisdictions that allow authorized employees (teachers & others) to carry in Georgia schools, as outlined in OCGA 16-11-130.1) and is also beneficial to private church security teams, as well as the individual carrying concealed.

This class begins with a classroom setting, focusing on use of force laws, specifically deadly force. The students will then actively participate in "shoot / don't shoot" scenarios utilizing our training simulator, followed by the indoor shooting range to include live fire marksmanship training and a graded qualification course.

Students will need their own mid-sized semi-automatic handgun with at least three magazines capable of holding at least six bullets in each, and at least 50 rounds of ammunition. To achieve the maximum benefit of the training, students should also have a quality holster designed specifically for the handgun they are carrying.

Course cost includes targets and SharpShooters USA eye and ear protection.

Students will receive a certificate of completion at the end of the course.
